## Overview

---

Privately owned since her inception and never available for charter, this exquisite vessel is a true gem in the world of yacht sales. The current owner, who is the second custodian of this magnificent yacht, acquired her when she had logged just 1,500 hours. Since then, she has been cherished and maintained, now boasting a total of 3,400 hours, primarily spent cruising the serene waters of the Sea of Cortez at a gentle 1,000 RPM.

CAPRICH0 II has been pampered throughout her life by a dedicated crew of three, complemented by the oversight of a seasoned local project manager. In February 2022, she underwent a comprehensive maintenance overhaul, ensuring she is in pristine condition and ready for her next chapter. This yacht for sale represents a unique opportunity for a discerning buyer looking to invest in a well-cared-for vessel. With her impeccable history and current boat location, she stands out in the competitive yacht sales market. Don't miss your chance to buy a yacht that embodies luxury and elegance.
