## OVERVIEW

---

PRICE Reduced!! Discover the elegance of the 1995 Wellcraft Martinique, a stunning 36 ft. yacht now available for sale. The current boat location offers a unique opportunity to own this beauty, as the owners have recently invested \$7,000 in engine maintenance, including new MerCruiser manifolds, stainless steel risers, and water pumps. The twin 454 MerCruisers have been rebuilt and boast approximately 200+ hours, cruising comfortably at 18-20 mph and reaching top speeds in the high 20s. The Hurth V-Drives have also been refurbished, ensuring a smooth and reliable performance.

This yacht features a modified-V hull with a robust fiberglass bottom, an integrated swim platform, and prop pockets designed to optimize shaft angles. The 5000K Westerbeke generator, with around 90 hours of use, is fully operational. An extended swim platform with a transom shower and a bracket for a gas grill enhances your outdoor experience. The camper enclosure was replaced in 2019 and remains in excellent condition, while the cockpit upholstery and dripless shafts were updated in 2021.

Step inside to find a spacious cabin designed without bulkheads, allowing for an open and inviting atmosphere. The mid-cabin layout comfortably accommodates up to six guests, making it perfect for entertaining. The L-shaped galley seamlessly extends into the salon, promoting easy movement throughout the space. Additional amenities include a separate shower from the head, a microwave, stovetop, a brand-new AC/DC refrigerator, a 16,000 BTU air conditioning unit with reverse heat, VHF radio, chart plotter, depth finder, stereo system, and a windlass.

This yacht has a rich history as a Great Lakes vessel until 2021, and it features a well-maintained interior with new soft goods and ample storage. With no known repairs needed, this clean and ready-to-go yacht is an exceptional find in the current boat location. A slip may be available if desired. Don't miss your

chance to buy a yacht that combines luxury, performance, and comfort!
