A washer/dryer is conveniently located under the galley steps for added convenience.

Dependable Twin Cummins Engines and Docking Enhancements

This Meridian 459 is powered by twin Cummins 370 hp engines, ensuring reliable and smooth performance. The addition of a stern thruster in September 2020 complements the bow thruster, making docking effortless. The bottom was painted in November 2021, featuring two coats of primer and paint, and the cutlass bearings were replaced.
