ХАРАКТЕРИСТИКИ

Обзор

Never before available for charter, this exquisite vessel has made its way back to Florida from Ohio. The current owner has enhanced her with a new inverter and upgraded electronics, ensuring a modern and efficient experience.

This stunning 44 Aquila represents the finest opportunity in the market. She comes fully equipped with both factory and aftermarket features, has seen minimal use, and has been meticulously cared for.

Powered by the upgraded Volvo D4 300HP engine package, she effortlessly cruises at 17 knots. A bow thruster and yacht controller have been installed, allowing for exceptional maneuverability from any point on the boat, making docking and mooring a breeze.

For those seeking adventure, this yacht is outfitted with an additional fuel tank, a water-maker, a stacked washer and dryer, and an upgraded Caribe Tender with a 40HP Yamaha engine, perfect for extended cruising and exploration.

The electronics have been modernized with top-of-the-line GARMIN systems. A custom boarding ladder, valued at \$12,000, has been added to ensure safe and easy access from the docks for you and your guests.

If you are in the market to buy a yacht, this 44 Aquila is a must-see. All electronics were replaced following a lightning incident, and a thorough inspection was conducted to ensure all systems are in perfect working order.

****Key Features:****

- Fully Enclosed, Air-Conditioned Flybridge with Blackout for privacy; enclosure replaced in 2020
- New Garmin Helm - 2023 16" MFD Display, Auto Pilot, Radar, Depth Sounder, Sirius Weather
