SPECIFICATIONS

Overview

If you're familiar with the world of boating, you undoubtedly recognize that Chris-Craft is synonymous with premium luxury vessels. The Corsair 25 launch exemplifies this commitment to excellence, and its quality is evident. This particular model is in superb condition, boasting only 149 hours on the powerful Volvo 8.1Gi engine paired with a Volvo DPS duo prop stern drive.

The Corsair features a cozy cuddy cabin for convenient storage and a toilet, alongside a cockpit equipped with a dining table and a Bimini sunshade for those sunny days. Reviews highlight its serene ride, impressive maneuverability at high speeds, and its remarkable stability for a 25-foot cruiser. With a top speed of 50 knots and a cruising speed of 25 knots, this yacht is designed for performance.

Notable features include a 9-gallon pressurized fresh water tank for the cockpit sink, a halon fire suppression system in the engine room, a cockpit refrigerator, a battery charger, a custom cockpit cover, and a Bimini with a concealed storage cover. It also offers removable bow sun pads, a color-coordinated sea deck throughout, a power engine cover lift, a captain's choice exhaust system, and an ice chest storage compartment in the floor. The stunning teak inlay on both the bow and stern, along with teak grab handles and retractable cleats, enhances both safety and aesthetics. Additionally, it comes with a new Fusion stereo system and a fresh water rinse station on the swim platform.

This Chris-Craft is a sophisticated yacht that always makes a statement on the water. Currently available for yacht sales in the current boat location, this vessel has been meticulously serviced and is ready for its next adventure. If you're looking to buy a yacht that combines elegance with performance, this Corsair 25 launch is an exceptional choice.
