ХАРАКТЕРИСТИКИ

Обзор

Based on the remarkable achievements of the Truly Classic 128 series, with the fifth vessel currently in production, the TC 128 GRACE III, commissioned in early 2021, is now available for yacht sale, showcasing her full splendor after extensive testing.

Crafted by SES Yachts in Istanbul, this yacht exemplifies exceptional quality, luxury, and craftsmanship, presenting a unique opportunity for discerning buyers who prioritize excellence and timely delivery.

Equipped with top-tier features, including Lewmar sailing systems and hydraulics, the aluminum hull constructed by the renowned Bloemsma in the Netherlands, a rigging package with carbon spars and rod rigging from Hall Spars, hydraulic furlers by Reckmann, and a propulsion system by Scania and Hundested, this yacht is a true marvel. The design is the work of Hoek Design Naval Architects, ensuring both elegance and performance.

SES Yachts is currently working on two additional Hoek Design projects, further solidifying their reputation in yacht sales in the current boat location.

As per the owner's specifications, the yacht boasts a spacious main deckhouse and an open cockpit with a well-positioned steering station. The fractional sail plan enhances her performance in lighter winds, making her a joy to sail.

The Park Avenue-style boom facilitates effortless sail handling, while the torpedo-style T-bulb keel, meticulously designed using Computational Fluid Dynamics (CFD), is strategically placed to optimize performance and balance.

With a free-suspended spade rudder and a righting moment comparable to that of a J-Class yacht, she promises exhilarating sailing experiences.

Below deck, the saloon, partially sheltered by the deckhouse, features impressive double ceiling heights. The master cabin, located aft of the deckhouse, is both elegant and spacious, complete with luxurious ensembles.

Forward, there is a twin bed with a pullman berth guest cabin to port and a VIP cabin to starboard, along with a galley and crew mess on the starboard side. Opposite, a flexible cabin can accommodate extra guests or crew during charters. The bow area provides comfortable quarters for four crew members across two cabins. This yacht can host up to nine guests with four crew or seven guests with six crew, all while showcasing the classic styling by Hoek Design, encompassing both exterior and interior aesthetics.

A walkthrough video is available upon request, offering a closer look at this exquisite yacht for sale. Don't miss the chance to buy a yacht that embodies luxury and performance in the current boat location.
