OVERVIEW

Introducing Grover, undoubtedly the finest Dyer 29 to grace the market. This yacht for sale is exquisitely customized while retaining the timeless allure of a classic Down East style vessel. Ideal for an elegant evening cocktail or a delightful weekend escape, she comfortably accommodates six passengers in her stylish cockpit, featuring a spacious bench seat across the transom, an aft-facing seat with a built-in cooler, and generous U-shaped seating to port.

The current owner acquired her in 2012 and has meticulously transformed her into a truly unique yacht. Equipped with both bow and stern thrusters, she boasts a powerful 315hp Yanmar engine with a mere 560 hours of use. With brand new canvas, cushions, varnish, and teak decks, her entire interior has been rejuvenated.

This yacht is akin to a new boat from top to bottom, showcasing fresh varnish and a stunning new paint job. Stored on her custom road trailer within a heated facility for several years, she is completely turn-key and ready for your adventures. Having had only two owners in the past two decades, both of whom maintained her with an open checkbook policy, this gem is a rare find in yacht sales in the current boat location. Don't miss the opportunity to buy a yacht that promises to impress.
