****AZIMUT LEONARDO HISTORY****

The Azimut 100 Leonardo is an evolution of the successful 98 model, introduced in the 2010 model year. After six years of production, the 98 set the standard for larger low-profile sport yachts with a full flybridge. The 100 Leonardo enhances this legacy with a hardtop featuring a sunroof over the forward flybridge. Notable updates include larger hull windows in the owner's suite and forward VIP cabin, along with two new expansive furniture units on the forward deck. The interior design remains consistent with the 98, showcasing the iconic circular salon entry door and an open floor plan with a full-service bar located just behind the separated pilothouse.

****WHAT'S INCLUDED IN THE YACHT SALE****

- Inflatable water toys (excluding Sea Pool)
- Wood-burning pizza oven on the flybridge
- Industrial freezer on the flybridge

****EXCLUSIONS FROM THE YACHT SALE****
