SPECIFICATIONS

Overview

Step aboard this exquisite 1995 yacht, a true masterpiece of design and engineering, currently available for sale in the United States. With a length of 47 feet and a beam of 15 feet, this vessel offers a perfect blend of spaciousness and agility, making it an ideal choice for both leisurely cruises and thrilling adventures on the open water.

As you enter, you are welcomed by a beautifully appointed interior designed by the renowned Lien Hwa. The elegant living spaces are bathed in natural light, creating a warm and inviting atmosphere. This yacht comfortably accommodates up to four guests, with two well-designed heads ensuring privacy and convenience. For those who wish to extend their journey, a dedicated crew cabin with two berths provides the perfect solution for a seamless experience at sea.

The yacht's modified deep Vee hull, expertly crafted by Lien Hwa, guarantees a smooth and stable ride, whether you're cruising at a leisurely 12 knots or reaching exhilarating speeds of up to 16 knots. Powered by two reliable Ford Lehman inboard diesel engines, this vessel not only promises performance but also efficiency, with a generous fuel capacity of 560 gallons allowing for extended voyages without the need for frequent refueling.

With a water capacity of 200 gallons, this yacht is designed for comfort and convenience, making it an excellent option for those looking to buy a yacht that combines luxury with practicality. The durable fiberglass and plastic construction ensures longevity and ease of maintenance, while the elegant deck invites you to soak up the sun or entertain guests in style.

Currently listed for yacht sales in the current boat location, this stunning vessel represents a unique opportunity for discerning buyers. Whether you are an experienced sailor or a first-time buyer, this yacht promises to deliver unforgettable experiences on the water. Don't miss your chance to own this exceptional yacht—your dream of luxury living at sea is just a decision away!
