SPECIFICATIONS

Overview

Lighting features include courtesy lights gracefully illuminating the deck and Flybridge. This exquisite yacht boasts a fourth aft cabin and is equipped with a Volvo DPS (Dynamic Positioning System) digital anchor for effortless mooring. The bow sundeck, adorned in ecru quick-drain foam, invites relaxation, while WiFi and 4G connectivity ensure you stay connected at sea. Enjoy your favorite tunes with the Fusion Stereo Radio, complete with optical digital input.

The bathrooms feature sinks with elegant chrome plating, and an electrically sliding glass partition separates the galley from the inviting sofa area. A glass access door leads to the salon, enhanced by a retractable glass window for seamless indoor-outdoor living.

Inside, the dove-grey leather sofas exude sophistication, complemented by a watertight door providing direct access to the engine room from the aft cabin bathroom. Flyscreens and manual blinds adorn the portholes and windows in the central, bow, and master cabins, ensuring privacy and comfort.

The captain's double sliding leather seat features a thigh rise flap and armrest for ultimate comfort. The fourth aft cabin is furnished with bed covers, linens, and pillows in a serene cream palette, while the lower deck boasts off-white linens and pillows for a cozy retreat. A complete set of crockery, cutlery, cups, and glasses for six is conveniently stored in the drawers.

The lower deck showcases a sand grey durmast oak floor with a saw-cut effect, while solid teak covers the side walkways and bow deck. The Flybridge is designed for relaxation with TF terrace atmosphere modules.

Experience luxury at the helm with a "Comfort" driving seat in the Flybridge, complemented by cameras in the engine room and cockpit for added safety. The GPS chart plotter features two 16" screens in the lower helm and 12" screens in the Flybridge for precise navigation. A third mooring station in the cockpit and a chain counter on the dashboard enhance functionality, while the privacy electrical sunshade in the cockpit and the Flybridge sunshade provide comfort.

The hardtop, crafted from fiberglass, features an electrically operable soft top with side access

doors. Additional amenities include a dishwasher, a safe in the master cabin, a wine cooler in the salon, and a fridge in the master cabin. The leather steering wheel with steel spokes on the main deck adds a touch of elegance.

Access to the starboard side walkway is via a manual door from the piloting area. The yacht is equipped with a gyroscopic stabilizer (Seakeeper 6 Gyro) and a hydraulic platform with a lifting capacity of 400kg (882 lbs), finished with solid teak. Enjoy chilled refreshments with the ice maker in the Fly cabinet, and host gatherings with the BBQ and sink in the aft platform storage compartment. An inverter rated at 2500W ensures power availability.

The searchlight and bow propeller feature double controls on both the Fly and Main Deck, while the ultra stainless steel 35kg (77 lbs) anchor is equipped with a non-foul chain bar. The fourth aft cabin is fitted with air conditioning (50/60Hz) via a split unit, and a washing machine-tumble dryer is conveniently located in the master cabin companionway. TV lifts add to the entertainment options on board. The hull is elegantly finished in white, powered by twin Volvo D6 IPS650 engines, each delivering 480 HP.

This stunning yacht is currently available for sale, making it an ideal opportunity for those looking to buy a yacht in the current boat location. Explore yacht sales in the current boat location and indulge in the luxury of this remarkable vessel.
