Overview

Discover this impeccably maintained Sea Ray Sundancer, a true gem in the world of luxury yachts. This stunning vessel has enjoyed a portion of its life in High & Dry storage and has spent the last year gracefully cruising the waters of Palmetto, Florida. With only 470 hours on the port engine, it has recently received new risers and manifolds, while the starboard engine was similarly upgraded in 2018.

In 2020, a state-of-the-art Pye Barker fire suppression system was installed, ensuring safety and peace of mind on your journeys. This yacht for sale features eight custom rod holders, perfect for the avid angler. Comprehensive ship logs and service records are readily available, providing transparency and confidence in your purchase.

As of May 12, the Knot On Call is now securely stored in a yard in Palmetto, following recent service to its lower units and a meticulous bottom job. All receipts and documentation are at your disposal, making this an excellent opportunity for those looking to buy a yacht. Explore yacht sales in the current boat location and seize the chance to own this exquisite vessel.
