OVERVIEW

This yacht has been docked for some time and requires significant attention. It has not touched the water in approximately 3-4 years. During its last outing, the Yanmar diesel engine was in good working order, and the vessel was ready for sailing. We recommend conducting your own thorough inspection prior to making any offers. This is a fantastic opportunity for those looking to buy a yacht in the current boat location, especially with the potential for yacht sales in the area. Don't miss out on this chance to restore a beautiful vessel!
