ХАРАКТЕРИСТИКИ

Обзор

****Exquisite Yacht with 6 Opulent Cabins****

Meticulously constructed using robust, lightweight composite materials, this yacht embodies elegance and durability. The Captain's Pavilion showcases a stunning blend of light and dark design elements, creating a captivating atmosphere. Smart mirrors enhance the space by beautifully reflecting the abundant natural light that floods in.

The yacht features a versatile swimming platform that seamlessly transforms into a beach club and boat garage, offering unparalleled convenience. A stylish teak wood passerelle provides easy access, while a practical crane on the rear deck simplifies operations. The spacious aft deck is perfect for entertaining, complete with a grand dining table and comfortable seating.

With dual boarding gates, access to the aft deck is effortless. An entertainment area on the aft deck includes a bar, sink, and refrigerator, complemented by an impressive pop-up large TV for your enjoyment. The fully equipped crew kitchen boasts professional-grade appliances, including a full-size beverage and wine cooler, ensuring every culinary need is met.

A luxurious daily head on the main deck adds to the convenience, while TVs in every room provide personal entertainment options. Customizable electric Roman and pleated blinds enhance privacy and comfort. The rainfall shower features a personalized lighting system, and a double set of professional washing and drying machines ensures effortless laundry care.

The expansive suite on the main deck doubles as a closet, while the open space between guest cabins fosters a family room ambiance. Vast sunbathing areas on the front deck invite relaxation, and the front deck is equipped with two jet skis for thrilling adventures. The largest bosun's closet is conveniently located on the foredeck.

The sky lounge is a highlight, featuring a bar, built-in TV, ice maker, and refrigerator, while the bridge deck aft offers a spacious dining table and ample food storage. Teak wood outdoor furniture adorns the flybridge,

which boasts a bar area, ice maker, and barbecue facilities. An enchanting jacuzzi on the flybridge, surrounded by sunbathing pillows, provides a perfect retreat.

The yacht is equipped with extensive fuel, oil, and water systems, including 20,869 liters of FRP fuel tanks and a comprehensive lube oil setup. A robust air conditioning chiller unit ensures optimal comfort, while a large 9,812 liters freshwater tank supports all your needs. Efficient waste management systems, including grey and black water tanks, ensure environmental responsibility.

The electrical infrastructure features a 440V AC, 3-phase power supply, along with redundant battery systems for various yacht functions. Advanced navigation and instrumentation equipment includes high-tech displays with radar, GPS, and AIS, complemented by night vision cameras and lightning arrestors for enhanced safety. Integrated sensors monitor doors and windows for added security.

Communication systems include intercom phones in all cabins, the wheelhouse, and engine room, while a comprehensive cathodic protection system ensures durability. Robust fire prevention and safety measures are in place, including B15 structural fire protection in the engine room and an advanced FM-200 fixed fire extinguishing system.

Life-saving equipment is abundant, featuring multiple life rafts, life jackets, immersion suits, and rescue tools, along with emergency beacons and first aid provisions for peace of mind. The immersive entertainment setup includes satellite entertainment with multiple zones featuring UHD 4K LED TVs and sound systems, as well as satellite receivers and media hubs in each cabin and lounging area.

This yacht is currently available for sale in its current boat location, offering a unique opportunity to buy a yacht that combines luxury, comfort, and cutting-edge technology. Explore yacht sales in the current boat location and discover the perfect vessel for your adventures.
