SPECIFICATIONS

Overview

"MATRIX" is a stunning planing motor yacht crafted from aluminum by Cantieri Navali Baglietto, one of the most prestigious shipyards in Italy, with a legacy dating back to 1854. This custom-built masterpiece belongs to the 41m Super Fast series, featuring a planning hull that allows her to achieve an impressive top speed of 28 knots while comfortably cruising at 26 knots. Whether moored in a marina or gliding along the coastline, MATRIX is sure to captivate onlookers with her striking presence.

The yacht boasts an aluminum hull, deck, and superstructure, characterized by a sleek raked bow, an aft cockpit, and convenient access to the fore-peak via the upper deck and side garage doors. The uppermost level features a bridge deck equipped with a comprehensive electronics helm station, ensuring optimal navigation. This innovative design maximizes the use of internal volume and elegantly distributes both interior and exterior spaces.

The full beam design contributes to the expansive salon and dining area on the main deck, as well as the generously sized four staterooms located on the lower deck. The absence of side decks allows for a vast flying bridge that spans nearly the entire length and width of the yacht. This area includes a sauna, beach-style dressing room, bathrooms, showers, storage, wet bars, and discreet access to the lower deck, all cleverly integrated within the eye-catching submarine-style conning tower.

Accommodating a total of seventeen (17) guests, MATRIX features a four (4) cabin layout on the lower deck, including a full beam master suite at the aft, a guest cabin with three (3) single berths to port, and a double VIP cabin on both the port and starboard sides, each with individual heads. The crew quarters are strategically located forward at the bow, accessible from the galley, and consist of three (3) double berth cabins and one single crew cabin. The captain's cabin is situated aft of the raised wheelhouse, complete with a double berth and head.

This exceptional yacht is currently available for sale, and all reasonable offers will be considered. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that is truly one of a kind.
