SPECIFICATIONS

Overview

****Nauticat 441 (2017) – The final and arguably the finest Nauticat ever crafted.****

This exceptional ketch, meticulously constructed in Finland, stands as a testament to superior craftsmanship.

Featuring a protected pilothouse, two well-balanced masts, and in excellent condition, this yacht boasts numerous enhancements from the shipyard, designed to the highest specifications imaginable.

With a mere 246 engine hours, this vessel is in pristine condition, making it a truly rare opportunity in the yacht sales market.

Owner's remarks: "We have created the only 'Nauticat' of its kind, marking the last in the shipyard's legacy. As the shipyard's owners have stated, this is the finest 'Nauticat' ever produced—not only due to the extensive options but also because of the luxurious custom modifications made to the saloon and deck. Few yachts available for sale can rival the extensive list of features on my yacht, and even fewer have been personalized to this degree."

This yacht is nearly new, with no accidents or hull damage. Unfortunately, I have had limited time to enjoy it. The yacht has only made two trips around the Finnish islands, one journey to Tallinn, and occasional weekend excursions in the Gulf of Finland, covering just 1189 miles. The engine hours clearly indicate that this yacht has been very lightly utilized.

****Specifications:****

- Hull Length: 13.31 m
- Displacement: 16.5 t
- ****Current boat location:**** Tallinn, Estonia, at the 'Haven Kakumäe' marina.
- The yacht cradle is situated in Kotka, Finland, at the 'Kotka City Marina.'

This vessel features a custom-modified layout and deck, with two steering positions—one in the cockpit and another in the pilothouse.

****138 Options have been added to the standard specification:****

1. Elegant dark blue hull with a white sheer stripe and waterline.
2. Powerful 'Volvo D3' 150 hp engine with alternator and dual electrical remote controls (in cockpit and salon).
3. Additional 'Separ' fuel filter system.
4. Electric bow and stern thrusters 'Sleipner PRO SEP 100' with proportional speed and hold function, controlled from both the cockpit and pilothouse.
5. Separated AGM batteries for each thruster (2x160 Ah) with 'Mastervolt Chargemaster 12V/35 A-3' charger.
6. Flex-O-Fold 3-blade propeller.
7. Disc-type rope cutter for the propeller shaft.
8. Main mast 'Selden Furling' with an electrical control panel in the cockpit and main outhaul led to the cockpit.
9. Two additional lines led from the main mast to the cockpit.
10. Mizzen mast 'Selden Furling', manual.
11. Electric reefing gear for the genoa (Furlex 300 E), with a control panel in the cockpit.
12. Additional removable forestay fixed on the main mast with wire halyard and deck-eye for storm jib.
13. Additional halyard in the mast for gennaker.
14. Additional halyard in the mizzen mast for gangway.
15. Main boom preventer 1:3 under boom.
16. Two chrome electric winches for the genoa 'Harken 60.2 STECC.'
17. Two chrome electric winches on the pilothouse roof 'Harken 40.2 STECC.'
18. 'North Sails' furling mainsail with vertical battens, 29.4 m².
19. 'North Sails' furling genoa, 53.5 m².
20. 'North Sails' furling mizzen, 11.2 m².
21. 'North Sails' red gennaker including sheets, pulleys, bag, and snuffer, 120.7 m².
22. 'North Sails' orange storm jib, including bag, 13.0 m².
23. All sails feature UV protection in white.
24. Radar reflector with stainless steel bracket.
25. 'Windex' windvane.
26. Bimini with LED light above the cockpit table.
27. Covers for turnbuckles, 14 pcs.
28. Customized layout of teak deck.
29. Teak on top of the forward cabin roof.
30. Customized additional teak rail and planks around the cockpit upper surface.
31. Boarding bow stainless steel ladder with teak steps.
32. Custom-made stainless steel bowsprit with pulpit and teak grid with additional roller.
33. Stainless steel CQR anchor 34 kg with 75 m stainless steel chain (10 mm).
34. Horizontal electric windlass 1500 W with foot switches and control panel in the cockpit.

35. Anchor winch at stern 'Side Power Engbo Maxi' with 50 m lead rope. Storage of anchor at the stern platform.

36. Dinghy 'Zar Mini Air 9' with 'Torqueedo Travel' electric outboard engine and additional battery.
