OVERVIEW

For the first time, a stunning Benetti 37m B.YOND is now on the brokerage market, presenting a rare opportunity for discerning buyers. With this model sold out until 2028, NEVER SAY NEVER AGAIN stands as an exceptional choice for those seeking a nearly new luxury yacht.

Boasting an impressive volume of 431 GT, the space aboard NEVER SAY NEVER AGAIN is truly remarkable for a vessel of her dimensions. Each guest cabin is designed for comfort and spaciousness, making her feel more expansive than many 50m yachts currently available in the market.

Equipped with the optional €2 million Siemens hybrid drive system, this yacht offers outstanding long-range capabilities while ensuring a remarkably quiet cruising experience.

To truly appreciate what this yacht has to offer, we highly recommend scheduling viewings as she navigates the beautiful waters of the Bahamas and the Caribbean this winter.

6 Cabin layout (one cabin has been converted into a gym, but the original furnishings are available to revert it back)
