ХАРАКТЕРИСТИКИ

Обзор

This dynamic and high-performance 26m luxury yacht boasts a strikingly sleek and alluring design, complemented by a contemporary, warm, and inviting interior. With the capability to reach a top speed of 40 knots and cruise effortlessly at 30 knots, this vessel is perfect for those seeking adventure on the water.

Her shallow hull design, paired with robust MTU engines and the renowned Arneson (surface) Drive system, ensures that she is not only easy to maneuver but also provides a thrilling way to explore islands and anchor close to pristine shores. The new owner has also arranged for the installation of a “zero speed” Seakeeper Gyro Stabilizer, enhancing comfort while at anchor.

M/Y Nineteen42 features a distinctive layout with two separate living areas and salons spread across two decks. The upper salon serves as an inviting space for entertaining or unwinding, with 360° panoramic windows that flood the area with natural light and stunning views. It includes a well-stocked bar and three wine cellars, while a generous dining table accommodates up to 10 guests. The retractable hardtop allows for an abundance of light during the day and a breathtaking view of the stars at night.

Accessed via a spacious central staircase, the modern and airy lower salon is perfect for guests who prefer a cozy indoor setting, complete with a comfortable sofa and entertainment options.

On the lower deck, this 86' Flyingsport can host 8 guests across four cabins, featuring a luxurious master suite, a VIP cabin, and two twin cabins. Additionally, two pullman beds provide extra accommodation. Each cabin is equipped with ensuite bathrooms, air conditioning, TV, and sound systems for ultimate comfort.

Despite her sporty aesthetics, M/Y Nineteen42 offers ample deck space and sunbathing options, including a charming lounge and sunbed area on the bow, an exclusive sunbed on the flybridge, and a larger sunbed on the aft deck, which faces an outdoor dining table for up to 10 guests.

Her garage is equipped with a brand-new Williams 395 Sportjet tender, two Seabobs, a Fliteboard, and an array of water toys.

Combining sophistication, comfort, and speed, this elegant 86ft yacht represents an exceptional opportunity in the yacht sales market, particularly for those looking to buy a yacht in the current boat location.
