SPECIFICATIONS

Overview

"October Princess" is a stunning 2000 72' Viking Sport Cruiser, a name that emerged in 1995 when Viking Yachts collaborated with Marine Projects to create a distinguished line of cruising yachts. This 72' VSC exemplifies modern elegance with its stable and efficient performance, spacious staterooms, and an array of luxurious amenities. Equipped with twin 1300HP MAN engines that boast impressively low original hours, this yacht is a true gem.

The current owner, who has cherished this vessel for the past 17 years, has meticulously maintained and upgraded all systems and equipment since acquiring her in 2004. Notable enhancements include a complete repaint, modernized electronics, new headliners, exquisite teak decks, and up-to-date engine services, ensuring she remains in pristine condition. With a cruising speed of 21 knots and a top speed approaching 30 knots, she offers an exhilarating experience on the water.

Below deck, you'll find (4) well-appointed cabins and (3) heads, along with additional crew quarters featuring a shared ensuite head and shower at the aft. The commitment to keeping October Princess in turn-key condition has been a top priority for her current owners, making her an ideal choice for both owner-operators and those with crew.

Currently located in Fort Lauderdale, this yacht for sale is available for viewing at your convenience. Don't miss the opportunity to buy a yacht that embodies luxury and performance. Schedule your private tour today or reach out for any inquiries regarding yacht sales in the current boat location.
