Overview

"October Princess" is a stunning 2000 72' Viking Sport Cruiser, a name that emerged in 1995 when Viking Yachts collaborated with Marine Projects to create a new line of cruising yachts. This remarkable vessel combines a smooth, stable ride with spacious staterooms and an abundance of luxurious amenities, establishing the 72' VSC as a contemporary classic. She is equipped with twin 1300HP MAN engines that boast impressively low original hours. The current owner, who has cherished this yacht for the past 17 years, has diligently maintained, upgraded, and cared for all onboard systems and equipment since acquiring her in 2004. Notable enhancements over the years include a complete repaint, modernized electronics, new headliners, exquisite teak decks, and up-to-date engine services, among others. She effortlessly cruises at 21 knots, with a maximum speed approaching 30 knots. Below deck, you will find (4) cabins and (3) heads, along with additional crew quarters featuring a shared ensuite head and shower at the aft. Keeping October Princess in turn-key condition has been a top priority for her current owners. This Viking Sport Cruiser is an ideal choice for both owner-operators and those with crew. Currently located in Fort Lauderdale, she is available for viewing at your convenience. Explore this exceptional yacht for sale today and discover the possibilities of yacht sales in the current boat location. Don't miss the chance to buy a yacht that embodies elegance and performance.
