Overview

****Discover the expansive beauty of over 700 miles of Delta waterways. This vessel could be an ideal live-aboard!****

Crafted by the esteemed Stephens Brothers in Stockton, this yacht radiates charm and character. The saying, **"*they don't build them like this anymore*"** perfectly captures her essence. From the very start, the entire hull was constructed from mahogany, and the interior boasts even more luxurious mahogany finishes. Numerous enhancements have been made to elevate her appeal. This exquisite yacht is currently docked in a covered slip along the renowned Napa River.

****Rated above average by a licensed surveyor, this yacht is a standout option for yacht sales in the current boat location. If you're looking to buy a yacht that combines elegance with practicality, this is an opportunity you won't want to miss!****
