Обзор

****2008 Tango 80 | Oneironaut****

Oneironaut is an exquisite 80-foot luxury motor yacht crafted by Tango Yachts in Argentina, perfectly embodying her name, which translates to ‘dream voyager.’

Presently operating as a lucrative small group adventure diving charter in the Asia Pacific region, she boasts bookings extending through October 2025. With a knowledgeable captain, chef, engineer, hostess, and dive guide/crew who are intimately familiar with the vessel, she is ready for her next chapter.

The booking schedule allows for two months of charters followed by two months off, providing ample opportunity for owners to indulge in the remarkable adventures available. The new owner has the flexibility to choose whether to retain the captain and crew during their time on board.

Her upcoming itinerary features exhilarating dive trips across the Solomons, Papua New Guinea, Palau, Philippines, Borneo, and Thailand. After the charter bookings conclude, you can opt to use the yacht exclusively or continue the current business model, granting you access to this stunning adventure vessel for six months a year, which can effectively pay for itself during the other six months.

A recent comprehensive refit has elevated both the interior and exterior of this yacht, enhancing comfort and elegance with numerous features designed for exploration and enjoyment.

A standout addition from the rebuild is the Seakeeper 26 gyro stabilizer, which delivers unparalleled stability by eliminating boat roll, ensuring a smooth cruising experience for all, even in challenging conditions.

The well-appointed galley seamlessly connects to the spacious saloon, merging indoor and outdoor living with beautiful teak decks. Multiple refrigerators and freezers are available for gourmet dining during extended voyages.

The flybridge serves as an ideal spot to relish the outdoors while cruising or at anchor, complete with a grill,

fridge, and retractable sunroof.

Equipped with two updated Volvo Penta D6 engines, capable of reaching a top speed of 14 knots and consuming only 25 L/hr at cruising speed, this yacht has logged just 1100 hours.

Fully outfitted for adventure, onboard amenities include air and nitrox compressors, scuba tanks, seabobs, scubajets, fliteboards, and inflatables.

Accommodating up to eight guests in four ensuite cabins, including spacious master and owner’s quarters, there is also provision for four crew members.

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that promises both luxury and adventure.
