OVERVIEW

The Benetti Classic 120 represents a refined advancement in the Classic series, crafted by the talented design duo of François Zuretti for the interior and Stefano Righini for the exterior. This luxurious superyacht is designed to maximize space and natural light, making it a stunning example of its kind. Launched in 2008, Papaito underwent a significant refit in 2017/18, followed by a tasteful cosmetic update in 2020.

Tailored for leisurely cruising, this distinguished yacht features an array of communal spaces, including a generous saloon and a bright sky lounge, providing ample room for guests to unwind and soak in the breathtaking vistas. The sundeck is perfect for outdoor gatherings, equipped with comfortable lounge seating, a jacuzzi, a barbecue, a bar, and a teak dining table that seats eight. A half-length fixed bimini offers sun protection when needed, while removable sails can shade the aft area, allowing for an open lounge under the stars in the evening, perfect for enjoying your favorite anchorage.

Accommodating up to 12 guests, this exquisite vessel boasts five staterooms, including an on-deck master suite, two VIP cabins, and two twin cabins with Pullman beds. The master suite is located at the front of the main deck, featuring an en-suite bathroom and stunning 180-degree views of the surroundings. Below deck, the four cabins each have their own en-suites, with two VIP cabins offering queen beds and two twin cabins that can be converted, including the starboard twin cabin which can transform into a king bed.

The aft deck features steps on either side leading down to a spacious swim platform and tender garage, creating a versatile area that can serve as a beach club or a launch pad for water toys.

Currently located in a prime yacht sales area, this vessel is in-class (ABS) and compliant with MCA regulations.
