OVERVIEW

The Beneteau 473 stands as a remarkable choice for those seeking a versatile cruising yacht. Crafted with precision, it boasts a spacious and inviting interior, a manageable draft of 5' 7", and an air draft of approximately 63', making it ideal for ICW navigation. In the 44' to 50' yacht category, it's challenging to find a vessel that matches the 473's offerings for under \$200,000.

Phantom, currently located in Michigan, has been meticulously maintained by its two owners. Acquired by the present owner in 2020 in South Carolina, it was relocated to Michigan after receiving a fresh light khaki hull paint. This yacht has been sailed in fresh water during the season and stored on land each winter, with the cockpit shrink-wrapped and the mast unstepped. Each spring, the mast undergoes inspection and cleaning before Phantom is set to sail again.

Phantom has seen several recent enhancements:

Hull repainted (2021)

Rudder and cutlass bearings replaced (2021)

Gori 3-bladed folding propeller (2021)

Bow Thruster (2024)

Two Lewmar Ocean Evo Electric winches (2023)

Two new house batteries (2021)

North Sails full batten mainsail (2022)

North Sails furling jib (2021)

Spinnaker with snuffer, tailored for Phantom (2022)

Outboard motor mount (2023)

Engine water pump (2022)

AC water pump (2024)

Hatch glass and handles updated in the port head (2020)

Hatch glass and handles updated for the bow starboard salon (2024)

Three large salon windows replaced (2020)

Bottom painted (Oct 2024)

For those interested in yacht sales in the current boat location, Phantom presents an exceptional opportunity to buy a yacht that combines elegance with performance.
