SPECIFICATIONS

Overview

An exceptionally designed cruising yacht that can match the speed of nearly any vessel in her class. The swing keel is ideal for exploring the Bahamas, and when deployed in deep water mode, she is fully equipped for ocean crossings. Her remarkable stability is enhanced by a distinctive hull shape and innovative water ballasting system. All sailing controls are conveniently located in the central cockpit, and with the B&R carbon rig configuration, she offers a safe and stable sailing experience that is effortless to navigate.

This yacht is available for co-brokers with a commission split of 50/50.
