The Sealine C48 is a 51-foot opulent sports cruiser celebrated for its streamlined design and superior British craftsmanship. Inside, it showcases sophisticated mahogany accents, sumptuous oyster white seating, and expansive windows that bathe the salon in natural light. The exterior features easy-care teak laminate decking and robust Sunbrella fabric on the seating, merging elegance with functionality.

Equipped with dual 490-horsepower Cummins engines and a deep-V hull, the C48 offers impressive performance and smooth navigation even in challenging waters. The joystick-controlled pod drives simplify docking, while the quiet operation and agile handling enhance the yacht's allure.

The interior layout is both cozy and adaptable, featuring two primary staterooms with the option to transform a lounge area into a third cabin. The fully-equipped galley and two roomy heads with rain showers provide onboard comfort for long voyages.

The Sealine C48 presents spacious and lavish accommodations, with a bright, open-plan saloon featuring large windows and a sliding sunroof that illuminate the interior. Below deck, the yacht offers a comfortable master cabin with a double berth, full-length windows, and generous storage, along with a second cabin configurable as a double or twin.

An additional lounge area can be converted into a third private cabin, allowing for up to three staterooms in total. The yacht also includes two well-designed heads with rain showers, ensuring comfort for guests and owners during extended journeys.
