SPECIFICATIONS

Overview

Tiara has long been recognized as a builder of timeless elegance, and the latest iteration of the Model 3100 is a testament to that legacy. This refined express yacht maintains the classic lines of its predecessor while incorporating modern enhancements that elevate its performance and comfort. The redesigned hull boasts a sharper entry and an 18-degree dead-rise, complemented by increased bow flare for a drier ride and prop pockets that optimize shaft angles.

The bi-level cockpit design not only enhances accessibility but also provides ample space in the engine compartment. Inside, you'll find a slightly expanded layout featuring increased headroom and a spacious U-shaped dinette, perfect for entertaining. Notable upgrades include a larger fuel capacity, a tilt-away helm console for ease of navigation, recessed trim tabs, an in-deck fish box, a livewell in the cockpit, and a convenient transom door. This yacht is currently in the water, poised for your next adventure, whether it be a day of fishing or a leisurely cruise. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies both luxury and practicality.
