Overview

See at the Fort Lauderdale International Boat Show 2021

Located at Hall of Fame Marina Slip 209

Sequentis is a stunning 2019 43' Jupiter, crafted as project 007 for her current owner. Every detail in her design and construction reflects a commitment to luxury, with an array of bespoke features that set her apart. Jupiter has never achieved such a level of customization, making Sequentis the most uniquely tailored vessel in their lineup.

This remarkable yacht was conceived to be towed behind the owner's primary vessel, equipped to carry all necessary gear for high-capacity cruising and fishing adventures. It boasts its own water maker and ice maker, complemented by an outdoor kitchen that includes a sink, grill, and a refrigerated drink box.

At the bow, you'll discover wrap-around seating, a removable custom teak table, and in-deck storage for dive tanks. The custom-built Release Marine rocket launcher is conveniently located on both port and starboard sides. Beneath the forward seating lies a livewell for additional bait storage. Moving towards the stern, a comfortable chaise lounge for two is positioned just ahead of the helm. The helm area is air-conditioned and features three 22" Garmin touch screen monitors, two Miya Epoch teaser reels in the overhead compartment, and three Release Marine helm chairs. Behind the helm, the outdoor kitchen can double as extra seating for guests when the lid is closed.

The cockpit is outfitted with a Release Marine rocket launcher, two 60-gallon live wells that can be converted into four tuna tubes, and fold-down seating on either side of the livewell. Additionally, fully macerated fish boxes are located in the cockpit, with the ice maker conveniently emptying into the port side box. Sequentis is constructed with a carbon fiber laminate, and all decks are elegantly finished in teak. The gunnels have been meticulously faired and finished prior to assembly.

This vessel is truly a one-of-a-kind masterpiece, and the owner has maintained her with exceptional care.

For those interested in yacht sales in the current boat location, this is an opportunity not to be missed.
