OVERVIEW

1978 Fast Passage 39

Delighted owners, numerous transoceanic journeys, and several complete circumnavigations!

This highly coveted Blue Water Cruiser is robust, inviting, and exceptionally crafted. Designed by the esteemed William Garden and constructed at the prestigious Philbrooks shipyard in Sidney, B.C., these swift blue water cruisers boast remarkable lineage.

Very few mass-produced vessels can withstand the challenges of a global race, and even fewer have successfully achieved such a milestone. When sailor Francis Stokes completed the 27,000-mile inaugural BOC Challenge in 1983 aboard his Fast Passage 39, he was among just 10 finishers in a competition that began with 16 entrants, ranging from cutting-edge, purpose-built speedsters to converted family yachts. The Fast Passage 39 occupies a unique position in this spectrum.

Sidewinder is primed to take its new owners on their next sailing adventure!

Explore this exceptional yacht for sale in the current boat location and seize the opportunity to buy a yacht that promises both adventure and comfort.

Don't miss out on yacht sales in the current boat location—arrange a viewing today!
