OVERVIEW

This exquisite 2006 Bavaria 34 Cruiser is currently docked in Westport, Massachusetts, and is ready for your personal viewing. Bavaria yachts are renowned for their robust construction and stability, making them ideal for leisurely cruising. However, the 34 Cruiser also excels as a comfortable vessel for club racing, evening regattas, or simply enjoying a day on the water. The yacht features a solid hand-laid fiberglass reinforced plastic (GRP) hull below the waterline, complemented by an integrated GRP stringer system that securely bonds the chainplates. Additionally, Kevlar reinforcement in the bow enhances its durability. The rigging includes a fractional 9/10th deck-stepped aluminum Selden double-spreader mast, equipped with a solid vang, roller furling headsail, and in-mast furling main.
