ХАРАКТЕРИСТИКИ

Обзор

The Sophie Too is an exquisitely crafted and adaptable yacht, designed for a variety of adventures, whether you're planning a family cruise along the Intracoastal Waterway or heading out with friends for a fishing expedition 50 miles offshore. This Pursuit S368 is your perfect companion for both leisure and sport.

As you board through the port aft transom door, you are welcomed by a spacious fishing cockpit featuring a hidden pull-out bench seat at the center and an aft-facing bench designed for monitoring your catch.

The cockpit deck cleverly conceals two fish boxes and a central hatch that provides access to the generator compartment, which houses fuel filters and various valves. Moving forward from the cockpit, you will discover a pull-out grill and refrigerator to port, while the starboard side of the helm seat area features a breaker panel for all the 12V systems onboard.

The helm area of this yacht is truly impressive, with strategically placed instruments that offer a commanding view through the three-piece glass windshield, complete with an electric vent window. The hardtop above is equipped with an open Garmin radar scanner, an ACR searchlight, a stainless steel horn, and ample rod holders at the rear.

Another remarkable feature of the S368 is the front entry hatch that leads directly from the helm to a spacious, air-conditioned cabin. This design allows for quick access to the onboard head, which includes a full stand-up shower and sink. The cabin also boasts a generous bed with storage underneath and shelves on either side.

The forward bow area is a beautifully designed lounge, featuring power-adjustable backrests for the U-shaped seating and a large centerline lounge with armrests and cupholders. This lounge conveniently lifts on gas springs to reveal a substantial storage area for the yacht's "stem to stern" canvas cover. At the very front, you will find a concealed anchor and windlass, complete with fresh and raw water wash systems and a handy remote control for easy maneuvering while raising the anchor.

Overall, this 37' 11" center console by Pursuit is a robust and well-built vessel that promises to take you safely

wherever your adventures lead, even on overnight offshore fishing trips. The Sophie Too is powered by three highly sought-after Yamaha F300HP outboards, known for their efficiency and reliability, making this yacht for sale an exceptional choice for those looking to buy a yacht in the current boat location. Explore yacht sales in the current boat location and discover the luxury and performance that the Sophie Too has to offer.
