Overview

“SPIN” Continental 54, crafted by Cantieri Navali del Mediterraneo, represents the epitome of luxury in the CNM brand. This stunning 54-foot open yacht features two guest cabins, accommodating up to four guests, along with a dedicated crew cabin. With a shallow draft of just 3’3”, she can achieve exhilarating speeds of up to 46 knots. The yacht boasts a hull made from Carbon Fiber and GRP, utilizing Vacuum Infusion and post-curing techniques, and holds a CE certification Class (A), making her suitable for ocean adventures. The elegantly hand-drawn lines of SPIN exude a sense of refined sophistication, suggesting grace and motion even at rest. Enhanced by a flawless custom Metallic Bronze finish, her exterior lounging spaces are among the most generous found on any day cruiser. SPIN effortlessly transitions from a high-speed vessel to a sumptuous floating retreat. Features such as folding beach sides, a convertible galley, hydraulic teak tables, and carbon fiber/canvas awnings create an oasis of relaxation. This luxurious experience is a hallmark of CNM’s philosophy, giving SPIN her striking presence. Powered by twin I6-800hp MAN engines and surface drives, she offers an exhilarating yet smooth ride, making her a standout in the yacht sales market in the current boat location.

Factory Insights:

“We produce between 6 to 10 yachts annually, ensuring unparalleled quality while maintaining the artisanal essence of our craft. Our production remains limited. True luxury is a rarity, appreciated by only a select few. We cater to those who share our passion for elegance on the water.”
