## OVERVIEW

---

Hunter Marine launched the Hunter 31 in 1983, and it enjoyed a successful production run for four years. This vessel exudes a substantial yacht feel, featuring precise, cable-linked wheel steering. Its elevated bow and notably high freeboard for a 31-foot yacht ensure a dry sailing experience in typical cruising conditions. Equipped with a B&R rig, characterized by its double swept-back spreaders, the yacht boasts a sporty aesthetic. The mainsail is designed with ample roach, providing a delightful touch of weather helm even when paired with a 135-percent masthead jib. The mainsail includes two reef points for versatility. The side decks and handholds are generously sized, allowing for safe movement while underway, and the expansive cockpit offers ergonomically designed seating along with ample storage in the lockers.

This yacht comes with numerous additional features!

Brand new 4-stroke Mercury outboard

New West Marine 8' inflatable dinghy

New Brownell Jack Stands

Two Danforth anchors complete with chain and rode

Explore this exceptional yacht for sale in the current boat location, perfect for those looking to buy a yacht that combines elegance and performance. Don't miss out on the opportunity to experience yacht sales in the current boat location!
