This exquisite yacht is powered by twin Man 1360hp engines and is equipped with dual generators, one of which was replaced in September 2017. The salon, accessible from the aft deck, boasts elegant wood flooring and ample seating on both the port and starboard sides. Just ahead of the salon, a dining table accommodates eight guests, while the fully equipped galley is conveniently located to the port. The lower helm station is situated forward of the dining area on the starboard side, with additional seating to the port. A stairwell near the lower helm leads to the lower deck, where you will find four beautifully appointed staterooms. The master suite spans the full beam of the yacht, featuring large hull-side windows, a vanity to starboard, and a cozy couch to port. The master head includes dual sinks and a spacious walk-in shower. The main VIP stateroom is located at the bow, complete with hull-side windows and a private head and shower. To starboard, a third stateroom offers a full-size bed with access to the shared head and shower, while the fourth stateroom on the port side features two side-by-side beds and a bunk on the starboard side.

Accessed from the aft deck, the Sea C flybridge is equipped with a hardtop and sunroof, providing a generous space for relaxation and entertainment. This area features ample seating, including a large C-shaped lounge with a teak table and a substantial stainless steel pedestal. Just forward, there is an additional seating area, with the helm positioned to starboard, featuring dual captain's chairs.
