Overview

Delivered in 2018 by Rossinavi, UTOPIA IV represents the perfect fusion of an opulent superyacht and a high-performance sport vessel. Equipped with four MTU 16V 2000 M96L engines powering four Rolls Royce hydro jets, UTOPIA IV glides gracefully across the waves, achieving a cruising speed of 20 knots and remarkable top speeds. Given her dimensions, this level of performance is truly exceptional.

In 2022, UTOPIA IV underwent a comprehensive refit, which included servicing all major machinery, the installation of Starlink Internet, and a complete repaint. She successfully completed her 5-year survey in March 2023. This yacht for sale is currently located in a prime area for yacht sales, making it an ideal opportunity for those looking to buy a yacht in the current boat location. Don't miss the chance to own this exquisite vessel that combines luxury with performance.
