OVERVIEW

This is undoubtedly the most pristine and competitively priced 43 Viking available on the market!

The current owner has ensured that this yacht has received exceptional care, maintaining it with an open checkbook. Both engines underwent a complete rebuild in 2019, and the boat has been professionally painted, giving it a fresh, like-new appearance. This Viking has been lovingly cared for, as the owner is fastidious and is now transitioning to a larger yacht.

Recent maintenance records can be provided upon request.
