SPECIFICATIONS

Overview

Built as a luxurious 2 stateroom yacht, this exquisite vessel has seen minimal use over the years. For instance, the factory wrapping was still intact on the forward mattress when we acquired her. Over the past four years, she has undergone a comprehensive refit, featuring a new forward hatch, a fixed side port, updated sails, rigging, electronics, a cold plate refrigerator, a recent engine, a new folding propeller, and a substantial solar panel equipped with a digital regulator.

To enhance comfort, we modified the aft cabin due to the limited headroom over the original berth. We created a spacious starboard berth and a slightly smaller yet still generous double berth to port. This layout allows for head aft sleeping while providing easy access to the forward end of the berth. The original mattress is available for reinstallation, but this new configuration maximizes the expansive galley and offers an impressive starboard berth with an additional 12-16 inches of headroom. A door can be added for privacy. The interior is rated an 8.

We have begun revarnishing the area near the companionway, with more work planned. The floorboards could use some attention, and while the main salon upholstery is not worn, some seams may need repair.

We will be addressing the lower 18 inches of the rudder, which has shown some moisture, along with replacing some tabbing. This work is scheduled for completion this winter.

This stunning yacht is currently for sale as we embark on the construction of a new 41' trimaran. She has been utilized only 5-8 times annually through our shared use membership program. Additionally, the furling mast, along with the recent rigging and sails, is available separately for \$8,000, as we plan to transition back to a traditional tall rig mast. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies elegance and adventure.
