## OVERVIEW

---

Discover the 82 Open from Aicon Yachts, a modern motor yacht in the motor yachts category, built on a sturdy fiberglass and plastic foundation. For detailed information, availability, and viewing arrangements contact Andrey Shestakov at Shestakov Yacht Sales.

## Selecting a 82 Open

---

When you want a sleek, high-performance motor yacht that planes confidently, the 82 Open deserves consideration. Measuring 84 ft (25.65 m) overall with a generous 19 ft (5.84 m) beam and driven by twin CAT inboard diesels, it offers an efficient 12-knot cruise and an exhilarating 34-knot maximum. The layout accommodates up to 8 guests along with 2 crew cabins for longer passages, while its fuel and freshwater stores are sized to balance range and onboard independence. Reach out to Andrey Shestakov at Shestakov Yacht Sales to review current examples and determine which hull suits your cruising plans.

## Features of the Model

---

- Planing hull delivering quick responsiveness and brisk acceleration.
- Built using fiberglass and plastic with a GRP deck to optimize strength-to-weight characteristics.
- Twin CAT inboard diesel engines provide dependable, long-range propulsion.
- Both hull lines and interior spaces styled by Aicon Yachts for unified aesthetics and practical ergonomics.
- Generous tankage: 1,849.2 gal fuel and 306.44 gal water to support extended cruising agendas.
- Guest accommodations for up to 8 people, plus 2 crew cabins for professional service on board.

## Technical Specifications

---

- Length overall (LOA): 84 ft (25.65 m)
- Beam: 19 ft (5.84 m)
- Draft (min/max): 3.74 ft (1.14 m) / 5.02 ft (1.53 m)
- Cruising speed: 12 kn (13.81 mph)
- Maximum speed: 34 kn (39.13 mph)
- Gross tonnage: 95
- Engines: 2 x CAT; Inboard; Diesel
- Hull material: fiberglass and plastic
- Deck material: GRP
- Hull configuration: Planing
- Hull designer: Aicon Yachts
- Interior designer: Aicon Yachts
- Accommodation: up to 8 guests
- Crew cabins: 2
- Fuel capacity: 1,849.2 gal
- Water capacity: 306.44 gal
- Classification: motor yachts / motor yacht; hull in fiberglass and plastic

## Pricing and Ordering

---

Prices fluctuate based on specification, condition, and market timing. For up-to-date listings, price guidance, inspections, surveys, sea trials, and delivery logistics for the 82 Open by Aicon Yachts, contact Andrey Shestakov of Shestakov Yacht Sales. We'll assist in comparing available boats and securing an attractive purchase.

## Questions and Answers

---

- What are the speeds of the model?
- The 82 Open achieves a **cruising speed** of 12 kn (13.81 mph) and a **top speed** of 34 kn (39.13 mph), thanks to its planing hull form.
- How many people can stay on board?
- **Accommodation** is arranged for up to 8 guests, with **2 crew cabins** provided to support professional onboard staffing.
- What powers the yacht?
- Propulsion comes from **2 x CAT inboard diesel** engines, delivering robust and efficient performance suited to a motor yacht.
- What is the construction of the hull and deck?
- The vessel features a hull in fiberglass and plastic with a **GRP deck**, combining durability with reduced structural weight consistent with contemporary motor yachts.
- How do I buy with Shestakov Yacht Sales?
- Contact **Andrey Shestakov** at **Shestakov Yacht Sales** to discuss current availability, pricing, and the acquisition process for the 82 Open crafted by Aicon Yachts.

## Owner Experience Review

---

Owners and charter operators deploy the 82 Open from Aicon Yachts in a variety of roles: family cruising with a common four-cabin arrangement for roughly eight guests, Mediterranean dayboat and charter operations, and weekend escapes that may be handled by the owner or with professional crew.

Charter feedback is generally very favorable, reflecting a platform that adapts well to both private ownership and commercial use.

On the water the model reads as a sport/open yacht; a surface-drive option accentuates speed and maneuverability. Brokerage references commonly report top speeds in the mid-30-knot range (about 34 knots) and note typical cruising in the 20–25-knot band, with some listings indicating fuel consumption near 180 L/h at those faster cruise speeds. Reviews from brokers and specialist press describe handling as sporty with open-deck seakeeping suited to coastal Mediterranean conditions.

Aboard, the emphasis is on lifestyle: a loft-like main salon bathed in light from large windows and expansive exterior lounging decks designed for entertaining and sunning. Charter ratings are strong (often close to 4.9/5), underscoring guest comfort. Owners should be mindful of technical considerations: surface drives and their associated systems need specialist maintenance, and the heavy-duty Caterpillar diesels generally mean higher parts and service costs than smaller recreational engines. Some owner forum posts for Aicon models also mention rubrail and finishing details that may require attention in U.S. marina environments; these issues are hull-history dependent and can be addressed during refits.

## Pros and Cons

---

- Sporty, high-speed personality with the option of surface drives for engaging performance.
- Loft-style salon with large glazing and roomy exterior decks creates excellent social and relaxation spaces.
- Flexible interior plan supports family cruising for about eight guests and has proven successful in Mediterranean charter markets.
- Surface drives and related driveline components require specialist servicing

and introduce maintenance complexity.

- Heavy-duty Caterpillar diesel installations typically incur higher parts and service expenses compared with smaller recreational engines.
- When cruising in the 20–25-knot range, some listings show fuel burn around 180 L/h, which owners should factor into operating costs.

## Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/...	Gross...
