OVERVIEW

The 44 from ALBIN is a versatile and well-engineered motor yacht in the broader motor yachts segment. Constructed with a durable fiberglass and plastic hull, this model is marketed and professionally handled by Andrey Shestakov and the team at Shestakov Yacht Sales.

Selecting a 44

Opting for the 44 prioritizes practical proportions and everyday usability: a 44 ft (13.41 m) overall length paired with a 15 ft (4.78 m) beam, substantial fuel and fresh water reserves, plus sleeping space for as many as eight guests. Twin Yanmar Inboard Diesel powerplants provide the kind of dependable performance and serviceability that owners expect from an ALBIN motor yacht. If your cruising plans include extended coastal passages or multi-day family getaways, the 44 delivers the interior volume and onboard systems to support those voyages.

Features of the Model

- Category and class: motor yachts class / motor yacht
- Hull: fiberglass and plastic; Deck: Fiberglass
- Dimensions aligned for comfortable handling: 44 ft LOA and 15 ft beam
- Reliable propulsion: twin Yanmar Inboard Diesel engines (2)
- Practical draft profile: 13.123 ft (4 m) max draft
- Liveaboard-friendly layout potential: accommodations for up to 8 and 2 heads
- Capacities that support longer outings: 675 gal fuel and 140 gal water
- Built by ALBIN and marketed by Andrey Shestakov and Shestakov Yacht Sales

Technical Specifications

- LOA: 44 ft (13.41 m)
- Beam: 15 ft (4.78 m)
