OVERVIEW

Experience the HALYCON25UC, showcased by Shestakov Yacht Sales with broker Andrey Shestakov, where practicality meets comfort in a compact day boat. This versatile Barletta platform is built for relaxed coastal cruising and waterside enjoyment, crafted for durability and easy ownership.

Selecting a HALYCON25UC

Choosing the HALYCON25UC means selecting a compact motor yacht that prioritizes simple handling, maintenance simplicity, and rugged construction. At 25 ft (7.62 m) LOA, it’s perfectly sized for lakes, bays, and nearshore routes where an agile footprint and straightforward operation shine.

Features of the Model

• Builder pedigree: Crafted by BARLETTA with an aluminum-forward approach for strength and longevity.
• Hull and deck: An all-around robust platform with a алюминиевый корпус and aluminum deck surfaces designed for durability and low upkeep.
• Power and drivability: Single MERCURY outboard configuration for efficient performance and straightforward service access.
• Flexible utility: Open layout concept supports casual cruising, social time at anchor, and easy boarding.

Technical Specifications

• Model: HALYCON25UC
• Builder: BARLETTA

- Deck material: Aluminum
- Hull configuration: Other

Pricing and Ordering

For current pricing, availability, and build options for the HALYCON25UC, contact broker Andrey Shestakov at Shestakov Yacht Sales. We will guide you through selection, outfitting, and delivery timelines tailored to your cruising plans.

Questions and Answers

Q: What waters best suit the HALYCON25UC? A: With its 25 ft length and **single outboard** setup, it's ideal for lakes, rivers, and protected coastal areas where agility and easy trailering logistics matter.

Q: How does the aluminum build help ownership? A: The **aluminum hull and deck** emphasize durability, impact resistance, and straightforward maintenance compared to many composite alternatives.

Q: What engine brand powers this model? A: The HALYCON25UC is specified with a **MERCURY outboard** , pairing reliability with wide service network access.

Q: What fuel does the boat use? A: The outboard is designed for **unleaded**

gasoline , simplifying refueling at most marine facilities.

Q: Who can assist me with purchase and delivery? A: **Andrey Shestakov** at **Shestakov Yacht Sales** will coordinate pricing, specifications, and logistics for your HALYCON25UC.

Owner Experience Review

Owners and testers familiar with the UC layout describe HALYCON25UC from BARLETTA as a social-focused pontoon that excels at family cruising and day trips. Seating, storage, and a midship bar/ultra lounge concept support entertaining large groups, with prior 25UC variants commonly accommodating 13–14 passengers. Helm ergonomics and fit/finish are consistently praised in earlier UC lineage reviews, and those traits are expected to carry forward here.

On the water, expectations are for a quiet, composed ride with stable handling in typical lake chop, provided the boat is properly powered. Performance character depends on the chosen outboard, as seen on L25UC tests with Mercury Verado setups. There are not yet long term, model specific owner reports for HALYCON25UC (introduced for 2027), so current impressions are inferred from L/Corsa/Lusso 25UC experiences and dealer/test articles.

Pros and Cons

• Pro: Social layout with bar and ultra lounge supports entertaining large groups comfortably.
• Pro: Quiet, solid ride for a pontoon with stable handling in typical lake conditions.
• Pro: Thoughtful helm ergonomics and premium fit/finish noted across prior UC lineage.
• Con: Real world, long term feedback for the 2027 model is not yet available.

• Con: Overall performance and running costs depend heavily on the selected outboard.
• Con: Minor warranty items have been noted anecdotally on earlier Barletta models, though typically resolved.

Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/Max)	Gross Tonnage
HALYCON25UC	25' 0" (7.62 m)
