OVERVIEW

The 34 GLS OB by Cruisers Yachts blends dayboat versatility with weekender comfort, represented by Andrey Shestakov and Shestakov Yacht Sales for discerning buyers seeking a stylish, capable platform.

Selecting a 34 GLS OB

Choose the 34 GLS OB if you want a spacious social layout and confident performance from twin outboards in a compact footprint. As a motor yacht with a fiberglass hull, it suits family cruising, harbor hopping, and active watersports, all supported professionally by Andrey Shestakov and Shestakov Yacht Sales.

Features of the Model

• Twin MERCURY outboards deliver responsive handling and easy service access.
• Open-deck concept optimized for entertaining and day cruising.
• Durable fiberglass hull construction and fiberglass deck for long-term resilience.
• Flexible layout ideal for quick escapes or extended day trips.
• Backed by brokerage expertise from Andrey Shestakov and Shestakov Yacht Sales.

Technical Specifications

• Length Overall (LOA): 34 ft (10.36 m)
• Engines: 2 x MERCURY

• Engine Type: Outboard
• Fuel Type: Unleaded
• Hull Material: fiberglass and plastic
• Deck Material: Fiberglass
• Hull Configuration: Other

Pricing and Ordering

For current pricing, availability, and build options of the 34 GLS OB by Cruisers Yachts, contact Andrey Shestakov at Shestakov Yacht Sales. We will coordinate specifications, inspection, and delivery timing tailored to your plans.

Questions and Answers

Q: What makes the 34 GLS OB a strong choice for day cruising? A: Its open layout, twin outboards, and durable fiberglass construction build create a versatile, social platform with confident performance.

Q: Which engines power this model? A: Two **MERCURY Outboard** engines running on **Unleaded** fuel provide reliable thrust and efficient operation.

Q: How long is the 34 GLS OB? A: The LOA is **34 ft (10.36 m)** , offering a balance of space and easy handling.

Q: What materials are used in construction? A: The hull is fiberglass and plastic with a **Fiberglass** deck for strength and low maintenance.

Q: Who can assist with purchase and delivery? A: Andrey Shestakov and Shestakov Yacht Sales will manage the process from selection to closing and logistics for your motor yacht.

Owner Experience Review

Owners who move into the 34 GLS OB from smaller dayboats commonly highlight its entertainment-centered layout as the reason the boat gets used more. The open cockpit flows naturally to the bow, and the convertible dinette below turns day trips into hassle-free overnights. In moderate chop, multiple test reports describe a nimble, composed ride with comfortable noise levels at a typical cruise around the low-30-knot range on twin Mercury Verado 300s. Joystick packages, frequently noted in listings, make docking and close-quarters work less stressful for new and experienced operators alike.

For weekend leisure and coastal runs, the combination of outboard efficiency, a modern helm, and practical shade options under the hardtop keeps family and guests comfortable. The mid-cabin and convertible dinette deliver realistic weekending capability rather than just a token berth, and owners appreciate that maintenance aligns with standard outboard service routines. While we have not seen credible patterns of model-specific failures in expert reviews or listings, pre-purchase surveys remain advisable, and transport/lift planning should account for the boat's beam and outboard package.

Pros and Cons

• Entertainment-focused cockpit and bow seating encourage frequent family use and social cruising.
• Nimble handling with a comfortable cruise around 30–34 knots on twin 300 hp outboards.
• Joystick options widely available for confident low-speed maneuvering and docking.
• Cabin space relies on a convertible dinette and mid-cabin, which may feel tight for longer stays.
• Transport and lifting logistics require attention due to beam and outboard

configuration.

• Outboard service is routine but still demands diligent maintenance scheduling and budgeting.

Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/...	Gross...
34 GLS OB	34' 0" (10.36 m)				
3870 Esprit	43' 0" (13.18 m)	13' 0" (4.12 m)	9' 10" (3 m)
