OVERVIEW

The 41 CANTIUS by Cruisers Yachts blends sport-cruiser performance with refined comfort, represented globally by Shestakov Yacht Sales and broker Andrey Shestakov.

Selecting a 41 CANTIUS

Choosing the 41 CANTIUS means stepping into a contemporary motor yacht designed for versatile family cruising and entertaining. With twin VOLVO inboard diesels and a deep vee running surface, it balances quick getaways with efficient passagemaking, while its fiberglass construction ensures durability and easy maintenance.

Features of the Model

• Performance foundation: deep vee hull by Cruisers Yachts for confident handling.
• Propulsion: twin VOLVO inboard diesel engines for reliable power delivery and docking control.
• Layout logic: two heads enhance privacy for owners and guests on extended weekends.
• Materials: a robust корпус из стеклопластика build with a fiberglass deck for strength and clean finishes.
• Purposeful cruising: optimized for comfortable speeds with range supported by generous fuel capacity.

Technical Specifications

- Length overall (LOA): 42 ft (12.8 m)
- Beam: 13 ft (3.96 m)
- Draft: 10.925 ft (3.33 m)
- Hull configuration: Deep Vee
- Hull designer: Cruisers Yachts
- Hull material: Fiberglass and Plastic Yachts
- Deck material: Fiberglass
- Engines: 2 x VOLVO, Inboard, Diesel
- Cruising speed: 20.86 kn (24 mph)
- Maximum speed: 30.41 kn (34.99 mph)
- Heads: 2
- Fuel capacity: 600 gal
- Fresh water capacity: 75 gal
- Categories: motor yacht; круизер класса комфорт; стеклопластиковая яхта

Pricing and Ordering

Shestakov Yacht Sales will tailor availability, options, and delivery timelines for your cruising plans. Contact broker Andrey Shestakov to review current market pricing, trade in opportunities, and to schedule a viewing or sea trial of the 41 CANTIUS by Cruisers Yachts.

Questions and Answers

Q: What is the typical cruising profile of the 41 CANTIUS? A: Expect a comfortable cruise at around **20.86 knots** , supported by **VOLVO diesel** efficiency and the Deep Vee for a composed ride.

Q: How is onboard privacy handled for guests? A: The yacht features **two heads** , allowing separate facilities for owners and guests during longer stays.

Q: What are the hull and deck materials? A: The hull is **Fiberglass and Plastic Yachts** , and the deck is **Fiberglass** for strength, finish quality, and low maintenance.

Q: What powers the yacht and what fuel does it use? A: Two **VOLVO Inboard Diesel** engines provide reliable propulsion and easy service access.

Q: Who can help me with purchase and logistics? A: Broker **Andrey Shestakov** and the team at **Shestakov Yacht Sales** will coordinate pricing, inspections, and delivery for your 41 CANTIUS.

Owner Experience Review

Owners and long-term testers consistently describe the 41 CANTIUS from Cruisers Yachts as a genuinely livable sport-cruiser for couples and small families. The two-cabin, two-head layout works for two couples on multi-day trips, with an amidships VIP that feels close to a second master. The salon and galley get frequent praise for their loft-like openness and large windows, and several reviewers noted that friends at the dock complimented the interior styling. The cockpit is the social hub, with a well-thought-out entertaining layout and a swim platform that can be set with removable bar stools.

On the water, owners highlight easy handling and a confident 23-knot “sweet spot” cruise, with higher top-end speeds reported depending on engine choice. IPS joystick control makes tight marinas and single- or two-person operation straightforward, reinforcing the boat’s short-handed cruising appeal. Routine maintenance is helped by good engine-room access under the cockpit, though IPS systems generally steer owners toward dealer/specialist service and can be costly if major work is required. A few fit-and-finish nits appear in

reviews—occasional rattles, a finicky sliding-door blind, and wish-list storage at the helm—but they tend to be minor in day-to-day use.

Pros and Cons

• Two-cabin, two-head layout comfortably supports two couples on multi-day cruises.
• Bright, loft-like salon and galley with large windows draw consistent compliments.
• IPS joystick enables easy docking and confident short-handed operation.
• IPS pods may require specialist servicing and can be costly to repair.
• Minor fit-and-finish issues reported, including rattles and blind reliability.
• Some helm storage/cubby omissions noted by reviewers.

Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/...	Gross...
41 CANTIUS	42' 0" (12.80 m)	13' 0" (3.96 m)	10' 11" (3.33 m)	20.86 kn / 30.41 kn
