## OVERVIEW

---

The Fashion 68 from FASHION BY SEVEN STAR is a modern motor yacht in the motor yachts category, built on a sturdy fiberglass and plastic hull and listed through Andrey Shestakov at Shestakov Yacht Sales.

## Selecting a Fashion 68

---

If your brief calls for a near 70 foot yacht that marries assured performance with comfortable liveboard accommodations, the Fashion 68 is worth considering. Its 18 ft beam delivers notable interior volume, the layout sleeps six with three heads, and twin inboard MTU diesels paired with a 22 knot cruising pace let you move between destinations efficiently. The design's solid draft and construction provide confidence for offshore passages.

## Features of the Model

---

- Performance profile: 22 kn cruising (25.32 mph) and 28 kn top speed (32.22 mph)
- Powertrain: 2 inboard MTU diesel engines for dependable propulsion
- Comfort: accommodation for 6 overnight and 3 heads
- Construction: fiberglass and plastic hull with a fiberglass deck
- Dimensions optimized for stability and space: 70 ft LOA, 18 ft beam, 9.285 ft max draft
- Capacities for extended weekends: fuel 1320.86 gal and fresh water 317.01 gal

## Technical Specifications

---

- Builder: FASHION BY SEVEN STAR
- Model: Fashion 68
- Type: motor yacht within motor yachts
- Hull: fiberglass and plastic
- Deck material: Fiberglass
- LOA: 70 ft (21.5 m)
- Beam: 18 ft (5.62 m)
- Draft (max): 9.285 ft (2.83 m)
- Cruising speed: 22 kn (25.32 mph)
- Maximum speed: 28 kn (32.22 mph)
- Engines: 2 x MTU, Inboard, Diesel
- Sleeps: 6
- Heads: 3
- Fuel capacity: 1320.86 gal
- Water capacity: 317.01 gal

## Pricing and Ordering

---

For up to date availability, pricing details, to arrange inspections, or to book a private showing of the Fashion 68, please reach out to Andrey Shestakov at Shestakov Yacht Sales. Our brokerage team will walk you through the specifications, provide market comparisons within the motor yachts sector, and assist with surveys, sea trials, and logistical arrangements.

## Questions and Answers

---

Q: What type of yacht is the Fashion 68? A: It is a motor yacht offered within the broader motor yachts range by FASHION BY SEVEN STAR.

Q: How fast does it cruise and what is the top speed? A: The Fashion 68 delivers a **cruising speed** of 22 kn (25.32 mph) and reaches a **top speed** of 28 kn (32.22 mph), offering a balance between efficiency and performance.

Q: How many people can stay aboard and how many heads are there? A: **Accommodation** is arranged for 6 overnight guests, supported by **3 heads** to ensure onboard comfort for extended trips.

Q: What are the hull and deck materials? A: The hull is classified as fiberglass and plastic, while the **deck** is finished in fiberglass for durability and easy maintenance.

Q: What powers the yacht and what are the key capacities? A: **Engines** consist of 2 inboard MTU diesels (Diesel fuel). **Fuel capacity** is 1320.86 gal, and **fresh water** capacity is 317.01 gal. **Contact** Andrey Shestakov at Shestakov Yacht Sales for complete specifications and to organize viewings.

## Owner Experience Review

---

Owners and brokers describe the Fashion 68 by FASHION BY SEVEN STAR as a sporty, private yacht well suited to an owner operator family or for use with a professional skipper. The accommodation plan—with three en suite cabins (master, double/VIP, twin) plus a crew/skipper cabin—makes weekender trips or family cruises straightforward, and several brokerage listings note "private use, never chartered."

On the water, listings consistently reference an approximate 22 knot cruise and around 28 knot maximum, with twin MTUs driving surface drives that produce a lively, planing sensation. A forum/press comment captures the styling as "something a bit alternative and different" on the exterior, and broker notes frequently highlight the model's mix of strong performance and liveaboard comfort. Commonly praised layout elements include a large

sunroof/hardtop, a spacious salon with a rear door opening to the cockpit, plus easy water access via a tender garage and a hydraulic swim platform.

Sales records often mention 2022 era refit work: full engine servicing, replacement shafts and propellers, fresh hull paint, new teak decks and interior carpets, and upgraded infotainment to modernize onboard living. Surface drive units and running gear tend to appear as visible service items, and the twin MTU setups benefit from specialist servicing and planned parts intervals; multiple listings stress "complete service of the engines" and low hours on certain hulls. Exact condition and installed equipment vary by individual vessel and its documented refit history.

## Pros and Cons

- Sporty performance with a ~22 knot cruise and ~28 knot top is consistently reported in broker specifications.
- Twin MTUs with surface drives provide a responsive, planing feel at speed.
- Family friendly three en suite cabins plus crew, with wide salon living, large sunroof/hardtop, rear door, tender garage, and hydraulic swim platform.
- Surface drives and shaft/prop systems are prominent service items that require attention.
- Twin MTU powerplants call for specialist maintenance and parts interval planning.
- Many examples rely on refit work (engine service, new shafts/props, paint, teak, carpets, infotainment) to present in their best condition.

## Comparison with Other Models
