## OVERVIEW

---

Crafted by Ferretti Yachts, the 680 represents a 68-foot synthesis of speed and onboard comfort. Marketed as a luxury motor yacht within the premium motor yachts category, it is built with a fiberglass construction hull and fiberglass decks, accommodating up to 13 people and featuring 4 heads. For detailed specifications, current inventory, or purchase assistance, reach out to Andrey Shestakov and the team at Shestakov Yacht Sales.

## Selecting a 680

---

Opting for the 680 signals a preference for assured performance combined with roomy accommodations. Delivering a 26-knot cruising pace and a 31-knot top end, powered by triple MAN inboard diesels and generous tankage for extended stays, it appeals to owners who want a refined mix of speed and livability in a 68-foot platform.

## Features of the Model

---

- Length overall: 68 ft (20.73 m) paired with an 18 ft (5.64 m) beam to provide a stable and roomy platform
- Max draft: 18.591 ft (5.6666 m)
- Propulsion: three MAN inboard diesel engines
- Performance: 26 knots cruise (29.92 mph) and 31 knots max (35.67 mph)
- Accommodations: sleeps up to 13; 4 heads
- Hull: fiberglass construction; Decks: fiberglass
- Capacity: 1,057 gal fuel; 264 gal fresh water
- Classification: a refined motor yacht within the wider motor yachts market

## Technical Specifications

---

- Builder: Ferretti Yachts
- Model: 680
- LOA: 68 ft (20.73 m)
- Beam: 18 ft (5.64 m)
- Max Draft: 18.591 ft (5.6666 m)
- Cruise Speed: 26 kn (29.92 mph)
- Max Speed: 31 kn (35.67 mph)
- Engines: 3 x MAN, Inboard, Diesel
- Sleeps: 13
- Heads: 4
- Hull Material: fiberglass construction
- Deck Material: Fiberglass
- Fuel Capacity: 1,057 gal
- Water Capacity: 264 gal
- Category: motor yachts | motor yacht

## Pricing and Ordering

---

For up-to-date pricing, availability, and to arrange surveys, sea trials, or delivery schedules for the 680, contact Andrey Shestakov and the Shestakov Yacht Sales team. We handle inspection coordination, advise on specification choices, and support you through the entire process from offer to closing.

## Questions and Answers

---

Q: What are the performance figures of the 680? A: The **cruise speed** is 26 knots (29.92 mph), and the **top speed** is 31 knots (35.67 mph).

Q: What powers the yacht? A: The 680 is fitted with **three MAN inboard diesel** engines to provide reliable propulsion and handling.

Q: How many guests can sleep aboard? A: The **sleeping capacity** is up to 13, supported by **4 heads** to ensure onboard comfort for extended stays.

Q: What is the hull and deck construction? A: The hull falls under the fiberglass construction category, complemented by **fiberglass decks** for durability and simplified upkeep.

Q: What are the fuel and water capacities? A: **Fuel capacity** is 1,057 gallons, and **fresh water capacity** is 264 gallons, allowing for longer cruising ranges between refills.

## Owner Experience Review

---

Owners are drawn to the 680 from Ferretti Yachts for its four-cabin plus crew arrangement, featuring a full-beam aft master, a forward VIP stateroom, and two guest cabins; brokers often present a three-head layout as well. The expansive flybridge, roomy aft cockpit, and alfresco dining spaces, along with a galley that opens onto the deck/dinette, make the yacht well suited to family cruising, weekend entertaining, and charter operations.

On the water, published data typically places cruising between 26–31 knots with top speeds in the vicinity of 32–36 knots depending on the engine fit. Owners report the 680 as straightforward to handle with commendable seakeeping, though some forum commentary notes a wetter ride compared with certain rivals. In terms of maintenance, many pre-owned listings show examples with MAN or MTU twin installations; it is common to find notes about major engine and generator overhauls and teak refits. Machinery access is via a central engine-room ladder with standard service hatches, and items like generators, thrusters, and stabilizers frequently appear as recurring service or

upgrade considerations on brokerage listings.

## Pros and Cons

- Four-cabin plus crew layout with a full-beam master that's well suited to family cruising and charter use.
- Generous flybridge and cockpit with alfresco areas designed for relaxed weekends and entertaining.
- Typical cruise around 26–31 kn and top 32–36 kn (engine dependent), with many owners praising its easy handling.
- Some owners report a wetter ride compared with certain competitors in similar sea conditions.
- Numerous used examples list major engine/generator overhauls and teak renewals as items to budget for.
- Performance depends on the engine package, making a sea trial essential to confirm expectations.

## Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/Max)	Gross Tonnage
680	68' 0" (20.73 m)	18' 0" (5.64 m)	18' 7" (5.67 m)	26 kn / 31 kn	
590 Motor Yacht	59' 0" (17.98 m)	17' 0" (5.26 m)	16' 11" (5.17 m)	26 kn / 34 kn	
FERRETTI 720	71' 0" (21.78 m)	19' 0" (5.80 m)	9' 7" (2.93 m)	30 kn / 35 kn	57.4
CUSTOM LINE 97	97' 0" (29.70 m)	28' 0" (8.51 m)	5' 11" (1.80 m)	16 kn / 25 kn	176
