## NEVETTA 28 - FILIPPETTI

**Builder:**

FILIPPETTI

**Model:**

Nevetta 28

**LOA:**

91' 0" (27.74 m)

**Beam:**

23' 0" (6.99 m)

**Max Draft:**

20' 6" (6.25 m)

**Cruise Speed:**

13 kn / 14.96 mph

**Max Speed:**

15 kn / 17.26 mph

**Water Capacity:**

770 Gallons

**Fuel Capacity:**

4510 Gallons

**Total Heads:**

7

**Hull Material:**

Fiberglass and Plastic Yachts

**Deck Material:**

Fiberglass

# OVERVIEW

---

The Nevetta 28 from FILIPPETTI represents an elegant motor yacht solution within the motor yachts class, built on a sturdy fiberglass construction foundation. Shestakov Yacht Sales lists and supports this model, with broker Andrey Shestakov available to guide clients from initial inquiry through delivery and ownership transition.

## Selecting a Nevetta 28

---

Opting for the Nevetta 28 means aligning your voyaging ambitions with a yacht that measures 91 ft (27.74 m) overall, offers a roomy 23 ft (6.99 m) beam for interior volume and privacy, and is tuned to operate comfortably between 13 and 15 knots. Andrey Shestakov and the Shestakov Yacht Sales team assist buyers in evaluating intended use, fuel and range planning, marina and berth limitations, and ongoing service requirements to ensure this motor yacht meets your program.

## Features of the Model

---

- Dimensions that count: a 91 ft LOA and 23 ft beam create expansive interior accommodations and privacy, supported by 7 heads.
- Reliable cruising performance: a steady 13 kn (14.96 mph) cruise with a 15 kn (17.26 mph) maximum for flexible passagemaking.
- Robust propulsion: twin MAN inboard diesel installations (2 x MAN, Inboard, Diesel) offer proven serviceability.
- Long-range provisioning: ample 4,510 gal fuel tanks and a 770 gal freshwater capacity for extended passages.
- Build and finish: a fiberglass hull and fiberglass deck provide durable, low-maintenance surfaces.

## Technical Specifications

---

- Builder: FILIPPETTI
- Model: Nevetta 28
- Type: motor yacht in the motor yachts segment
- Hull: fiberglass and plastic; Deck: Fiberglass
- LOA: 91 ft (27.74 m)
- Beam: 23 ft (6.99 m)
- Max Draft: 20.505 ft (6.25 m)
- Engines: 2 x MAN, Inboard, Diesel
- Cruising Speed: 13 kn (14.96 mph)
- Max Speed: 15 kn (17.26 mph)
- Heads: 7
- Fuel Capacity: 4,510 gal
- Water Capacity: 770 gal

## Pricing and Ordering

---

For up-to-date pricing, current availability, and guidance on purchasing the Nevetta 28, please contact Andrey Shestakov at Shestakov Yacht Sales. Our brokerage will manage specification reviews, surveys, and delivery logistics to simplify your acquisition from first contact through vessel handover.

## Questions and Answers

---

Q: What is the **LOA** of the Nevetta 28? A: The **LOA** measures 91 ft (27.74 m).

Q: Which **engines** power the Nevetta 28? A: Propulsion is provided by 2 x **MAN Inboard Diesel** engines.

Q: What are the **cruising** and **maximum speeds** ? A: The expected **cruising**

**speed** is 13 kn (14.96 mph) with a **maximum speed** of 15 kn (17.26 mph).

Q: What is the **hull material** and **deck material** ? A: The hull is built of fiberglass and plastic construction, and the deck material is **Fiberglass** .

Q: How is the Nevetta 28 classified and how many **heads** does it have? A: It is classed as a motor yacht within the motor yachts category and is equipped with **7 heads** . For ordering information, contact Andrey Shestakov at Shestakov Yacht Sales.

## Owner Experience Review

---

Prospective owners evaluating the Nevetta 28 from FILIPPETTI will recognize a displacement-centered design intended for relaxed, long-distance cruising. Early press descriptions emphasize efficient, sea-kindly behavior with twin roughly 800 hp diesels, a comfortable cruise around 13 knots, and peak speeds near 14.5 knots. The design intent favors long legs—yard and media sources reference approximately 3,000 nautical miles—making the yacht well suited to family cruising itineraries or charter operations rather than short, aggressive marina hops.

Aboard, the layout strategy highlights adaptability and bright interiors. Published configurations show five- or six-cabin options, with the owner's stateroom available on either the main deck or upper deck, and plentiful glazing reported throughout. Generous flybridge and foredeck entertaining areas are arranged to support private family use and to accommodate the flow typical in charter scenarios.

At present, first-hand, long-term owner testimonials for the Nevetta 28 are limited, so independent data on real-world fuel consumption, noise and vibration characteristics, HVAC effectiveness, and routine seakeeping remain sparse. Maintenance observations follow expected displacement-yacht

norms—service for gensets, HVAC systems, and hull care around the twin ~800 hp engines—but specific community feedback on engine-room access, service intervals, or lifecycle costs has not yet been widely reported.

## Pros and Cons

- Long range displacement focus, with press and yard figures suggesting roughly 3,000 nm capability.
- Versatile 5–6 cabin layouts with the option of placing the owner’s suite on the main or upper deck.
- Expansive glazing plus large flybridge and foredeck social zones that suit both family cruising and charter operations.
- Few independent owner reports available on seakeeping performance and actual fuel burn.
- Limited public information on day to day serviceability and long term maintenance expenditures.
- Relatively modest top speed near 14.5 knots, which may not satisfy buyers seeking planing yacht performance.

## Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/Max)	Gross Tonnage
55S	57' 0" (17.37 m)	15' 0" (4.62 m)	11' 9" (3.58 m)		
NAVETTA 30	99' 0" (30.40 m)	24' 0" (7.40 m)	6' 7" (2 m)	11 kn / 16.5 kn	206
S100	100' 0" (30.48 m)	22' 0" (6.78 m)	16' 2" (4.92 m)	35 kn / 40 kn
