# OVERVIEW

---

The Center Console Tournament Edition by FOUNTAIN is a 38 ft motor yacht in the center console segment featuring a fiberglass hull, triple Mercury outboard power, and a deep vee hull form. Offered through Shestakov Yacht Sales, this design combines high performance capability with practical onboard capacity for confident offshore days.

## Selecting a Center Console Tournament Edition

---

When you need a center console equipped with three outboards, a deep vee running surface, and large fuel reserves, the Center Console Tournament Edition stands out. Its 38 ft LOA and 10 ft beam provide a sensible balance between deck area and manageable footprint, while Mercury gas outboards give familiar servicing and support. For help choosing the right build and options, contact Shestakov Yacht Sales and broker Andrey Shestakov to align this platform with your boating objectives.

## Features of the Model

---

- 38 ft center console layout optimized for open deck functionality and task focused operations
- Triple Mercury outboards (gas, outboard configuration) delivering reliable thrust and serviceability
- Deep Vee hull form engineered for confident handling in a variety of sea conditions
- Hull constructed in fiberglass; deck finished in fiberglass
- Generous fuel capacity of 460 gallons paired with 30 gallons of freshwater for extended runs
- 10 ft beam to promote onboard stability and comfortable deck movement

## Technical Specifications

---

- Builder: FOUNTAIN
- Model: Center Console Tournament Edition
- Type: motor yacht
- Subcategory: center console
- Hull: fiberglass; configuration: Deep Vee
- Deck Material: Fiberglass
- Length Overall (LOA): 38 ft (11.58 m)
- Beam: 10 ft (3.2 m)
- Draft (min/max): 6.562 ft / 8.202 ft (2 m / 2.5 m)
- Engines: 3 x Mercury, Outboard, Gas
- Fuel Capacity: 460 gal
- Water Capacity: 30 gal

## Pricing and Ordering

---

For the latest pricing, availability, to schedule an inspection, or to begin a purchase on the Center Console Tournament Edition, reach out to Shestakov Yacht Sales. Broker Andrey Shestakov is available to review specs with you and coordinate the next steps according to your timeline.

## Questions and Answers

---

Q: What type of yacht is the Center Console Tournament Edition? A: It's a **motor yacht** within the **center console segment** , built on a **fiberglass** hull.

Q: What powers this model? A: The vessel is fitted with **triple Mercury outboards** running on **Gas** , with **Outboard** installation for accessible maintenance and strong performance.

Q: What are the key dimensions? A: The **LOA** is 38 ft (11.58 m) and the **Beam** is 10 ft (3.2 m), offering a well proportioned platform for handling and movement around the deck.

Q: What is the draft range? A: **Draft** spans from 6.562 ft minimum to 8.202 ft maximum (2–2.5 m), accommodating different operating conditions.

Q: Who builds and who represents this model for purchase? A: **Builder** : FOUNTAIN. For brokerage support and viewings, contact **Shestakov Yacht Sales** and broker **Andrey Shestakov** .

## Owner Experience Review

---

Owners select the Center Console Tournament Edition from FOUNTAIN for high speed offshore days and rapid runs to fishing grounds, while many also configure it for practical day cruising or island trips by maximizing fuel capacity. Several setups include the Tournament Edition cuddy—providing a compact V berth and a porta potti—which many owners find useful for short overnight stays.

During sea trials the boat is often described as “cornered like it was on rails,” a credit to its high performance bottom featuring a pad keel, notched transom and twin lift steps. Reported trial figures include roughly 54 mph at about 4800 rpm, and both manufacturer claims and press reports note the potential to exceed 66 mph with the right triple outboard package. Owners regularly commend the brisk acceleration and high speed capability, while noting that prop and hull setup frequently require fine tuning to reach headline numbers.

The layout favors angling functionality over interior luxury: cockpit and deck focus on livewells, sizable insulated fish boxes and plentiful rod and gear storage rather than plush accommodations. The cuddy is serviceable for brief overnights but remains compact. Feedback on construction is generally

favorable, with the hull and stringer assembly praised for durability under heavy pounding. Prospective buyers should expect maintenance needs tied to multiple high horsepower outboards—engines, props, and steering/trim components are recurring service items—and should commission a careful survey of used examples to inspect for fiberglass delamination, stringer/laminate condition, and routine electrical and fuel system integrity.

## Pros and Cons

- Tournament focused deck arrangements with dedicated livewells, large insulated fish boxes, and extensive rod/storage capacity support serious fishing operations.
- Performance oriented hull produces rapid acceleration and significant top end speed when properly set up.
- Sturdy hull and stringer construction designed to endure heavy pounding and offshore loads.
- Multiple high horsepower outboards add complexity to maintenance and raise operational costs.
- Spartan interior and a small cuddy limit creature comforts for long range cruising.
- Pre owned examples should receive a detailed survey to check fiberglass, stringers, and onboard systems before purchase.

## Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/Max)	Gross Tonnage
Center Console Tournament Edition	38' 0" (11.58 m)	10' 0" (3.20 m)	6' 7" (2 m) – 8' 2" (2.50 m)
