OVERVIEW

The 35 from Freeman Boatworks presents itself as a capable motor yacht built around a functional center-console layout and a tough fiberglass composite hull. With twin Yamaha outboards, a broad beam, and a sizable fuel reserve, it's configured for extended day trips and dependable offshore performance. For purchase assistance and personalized service, contact Andrey Shestakov and the team at Shestakov Yacht Sales.

Selecting a 35

Opting for the 35 puts emphasis on a stable, no-nonsense ride, ease of handling, and the utility of a center-console platform. Its 35 ft LOA and 11 ft beam create a secure footprint and roomy deck area, while the twin Yamaha outboards and generous fuel capacity enable longer excursions. If you seek a straightforward, capable motor yacht from Freeman Boatworks, this model delivers the essentials without unnecessary complexity.

Features of the Model

- Twin Yamaha outboards running on **Gas/Petrol** for reliable operation and ease of maintenance
- Robust fiberglass composite hull coupled with a fiberglass deck for durability and serviceability
- 11 ft (3.5 m) beam providing comfortable deck space and ample room to move around the console
- Large 510-gallon fuel capacity to support extended offshore days and longer-range runs
- Purpose-designed center-console configuration that centralizes controls and optimizes visibility

Technical Specifications

- Length overall (LOA): 35 ft (10.92 m)
- Beam: 11 ft (3.5 m)
- Draft (max): 7.655 ft (2.3333 m)
