OVERVIEW

Presented by Shestakov Yacht Sales, the GIANT 28 from GIANT is a 93 ft semi-displacement motor yacht built with a refined wooden yacht construction by the Elegan Design Team, combining reliable 20–24 knot performance with thoughtfully arranged accommodations suited for extended cruising.

Selecting a GIANT 28

Opting for the GIANT 28 brings together artisanal construction and capable performance. This semi-displacement platform delivers a comfortable 20-knot cruise (23.02 mph) with a 24-knot (27.62 mph) top speed from twin MAN inboard diesels. With a 20 ft beam and an 8.53 ft draft, the yacht is well-suited to a wide range of coastal and island itineraries, while its wooden yacht build channels classic styling updated through modern naval architecture by the Elegan Design Team. Coordinate directly with Andrey Shestakov and Shestakov Yacht Sales to match specifications and delivery timelines to your ownership objectives.

Features of the Model

- Type: semi-displacement motor yacht
- Build: wooden yacht hull with Wood deck
- Naval and interior styling by Elegan Design Team
- Twin MAN inboard diesel engines (2)
- Cruise speed: 20 knots (23.02 mph); max speed: 24 knots (27.62 mph)
- Generous 20 ft beam for comfort underway and at anchor
- Accommodations for up to 10, with 7 sleeps across guest spaces
- Six heads for guest and crew convenience; two crew cabins with six berths
- Substantial tankage for extended time aboard

Technical Specifications

- Length overall: 93 ft (28.4 m)
- Beam: 20 ft (6.2 m)
- Draft (min): 8.53 ft (2.6 m)
- Displacement/volume: 110 GT (gross tonnage)
- Configuration: Semi-Displacement
- Type: motor yacht
- Hull: wooden yacht
- Deck material: Wood
- Designer (hull): Elegan Design Team
- Designer (interior): Elegan Design Team
- Engines: 2 x MAN, Inboard, Diesel
- Speed (cruise): 20 kn (23.02 mph)
- Speed (max): 24 kn (27.62 mph)
- Accommodation capacity: 10
- Sleeps: 7
- Heads: 6
- Crew cabins: 2
- Crew berths: 6
- Fresh water capacity: 528.34 gal
- Fuel capacity: 2641.72 gal

Pricing and Ordering

To obtain current pricing, available build slots, and purchase pathways for the GIANT 28 by GIANT, contact Andrey Shestakov at Shestakov Yacht Sales. Our brokerage will assist you through specification review, surveys, and closing to ensure a smooth acquisition of this semi-displacement motor yacht with a notable wooden yacht lineage.

Questions and Answers

Q: What defines the character of the GIANT 28 as a yacht? A: The yacht pairs a semi-displacement hull form with a traditional wooden yacht construction and MAN diesel propulsion. That mix emphasizes **comfort** , **efficiency** , and **craftsmanship** under the direction of the Elegan Design Team.

Q: How many guests can stay aboard comfortably? A: The interior layout is configured for **accommodation for 10** , featuring **7 sleeps** across guest areas and **6 heads** for guest convenience. Crew quarters comprise **2 cabins** with **6 berths** , preserving dedicated service spaces.

Q: What are the performance figures of this motor yacht? A: You can anticipate a **20-knot cruise** (23.02 mph) and a **24-knot maximum** (27.62 mph) powered by twin **MAN** inboard **diesel** engines, matched to the semi displacement hull characteristics.

Q: Who designed the hull and interior of the GIANT 28? A: Both the **hull** and **interior** were executed by the **Elegan Design Team** , providing unified styling, proportion, and onboard ergonomics.

Q: How do I purchase through Shestakov Yacht Sales? A: Contact **Andrey Shestakov** and the **Shestakov Yacht Sales** team to review specifications, budget, and timing. We handle **inspections** , **negotiations** , and **closing** for the GIANT 28 by GIANT to simplify your route to ownership.

Owner Experience Review

Broker materials indicate the GIANT 28 by GIANT is outfitted for a crewed Mediterranean program and is promoted as equally effective for private family voyages and elevated entertaining. The arrangement comprises five ensuite guest cabins accommodating up to 10 guests, with crew quarters for about six,

and the interior plan suggests charter readiness. Visuals and descriptions highlight expansive social zones and a flybridge, complemented by teak decking and warm wood finishes that encourage a smooth guest circulation.

When underway, listings characterize the vessel as a wooden, semi displacement cruiser that performs most comfortably at semi displacement speeds; broker figures state approximately 20 knots for cruising and about 24 knots maximum, with an estimated 300 nm range. A reported 2022–2023 comprehensive refit is said to have modernized machinery, onboard systems, and navigation gear to boost reliability and guest comfort, although no independent owner testimonials appear in public forums to confirm behavior in heavy seas or helm feedback. Maintenance considerations reflect the wooden hull and superstructure—typically involving more frequent scheduled upkeep and periodic refit planning—while the twin MAN D2842 LE404 (2 × 1,500 hp) propulsion package will adhere to MAN diesel service intervals, so availability of parts and authorized support should be verified for your cruising areas.

Pros and Cons

- Charter capable five ensuite cabin layout supports private family cruising and refined entertaining.
- Comfortable semi displacement cruising with broker published ~20 knot cruise.
- Reported 2022–2023 comprehensive refit upgrading machinery, systems, and navigation.
- Wooden hull and superstructure demand higher scheduled maintenance and periodic refit planning than composite or steel.
- Limited independent owner reports leave gaps on rough water handling and long term reliability.
- Broker listed ~300 nm range can constrain longer passages without

frequent fuel stops.
