## OVERVIEW

---

Crafted for owners who prioritize open air piloting and assured cruising capability, the Custom 68 Open Flybridge from Hargrave is a motor yacht built on a fiberglass and plastic hull platform. Measuring 68 ft (20.73 m) overall with an 18 ft (5.64 m) beam, this design is listed and represented by Shestakov Yacht Sales with broker Andrey Shestakov. It combines Hargrave's established styling with pragmatic performance and living spaces suited to extended passages.

## Selecting a Custom 68 Open Flybridge

---

Opt for the Custom 68 Open Flybridge when you need a motor yacht that merges generous onboard volume, dependable performance, and thoughtfully engineered systems. Powered by twin Caterpillar inboard diesels and capable of an 18 knot cruise and a 22 knot top speed, it provides accommodations for eight guests plus two crew berths—an attractive scale for family voyages and social cruising. With Hargrave's reputation behind it, the model carries 1,527 gallons of fuel for extended range and 280 gallons of fresh water for comfortable offshore stays. Reach out to Andrey Shestakov at Shestakov Yacht Sales to explore availability and options for this model.

## Features of the Model

---

- Design pedigree: hull and interior by Hargrave
- Open flybridge arrangement combined with a practical 68 ft footprint
- Performance profile: 18 kn cruise, 22 kn maximum
- Twin inboard Caterpillar diesel engines
- Sleeps 8 guests, plus 2 crew berths
- Construction: fiberglass and plastic hull; fiberglass deck

- Hull configuration: Full Displacement Planing Hull
- Substantial tankage: fuel 1,527 gal; fresh water 280 gal
