## OVERVIEW

---

Crafted by Hatteras, the 50 Sport Deck is a flexible motor yacht within the broader motor yachts category. Measuring 50 ft (15.24 m) LOA, it features a fiberglass and plastic hull, a fiberglass deck, and is powered by a single Detroit Diesel engine—making it a solid choice for confident cruising. Shestakov Yacht Sales, represented by broker Andrey Shestakov, can assist with selection and purchase guidance.

## Selecting a 50 Sport Deck

---

Deciding on a 50 Sport Deck involves matching its core characteristics—50 ft (15.24 m) LOA, robust fiberglass and plastic hull construction, and the straightforward single Detroit Diesel propulsion—to your cruising intentions. Within the motor yacht segment of motor yachts, it appeals to owners who prioritize manageable handling and established build methods. Consult Andrey Shestakov at Shestakov Yacht Sales to assess how this layout suits your dock requirements, staffing, and route planning.

## Features of the Model

---

- Builder pedigree: Hatteras
- Model identity: 50 Sport Deck
- Classification: motor yacht in motor yachts
- Construction: fiberglass and plastic hull; fiberglass deck
- Dimensions: LOA 50 ft (15.24 m)
- Propulsion: 1 x Detroit Diesel engine
- Brokerage support: Personalized guidance from Shestakov Yacht Sales and broker Andrey Shestakov

## Technical Specifications

---

- Builder: Hatteras
- Model: 50 Sport Deck
- Category: motor yachts
- Type: motor yacht
- Hull material: fiberglass and plastic
- Deck material: Fiberglass
- LOA: 50 ft (15.24 m)
- Engines: 1 x Detroit Diesel

## Pricing and Ordering

---

## Questions and Answers

---

Q: What is the LOA of the 50 Sport Deck by Hatteras? A: The overall length is **50 ft (15.24 m)**, offering a balanced footprint for a motor yacht in the motor yachts category.

Q: What powers this model? A: It is equipped with a **single engine** from **Detroit Diesel**, delivering uncomplicated propulsion and accessible service points.

Q: What materials are used for the hull and deck? A: The hull conforms to **fiberglass and plastic** construction standards, while the deck is finished in **fiberglass**, a combination chosen for durability and straightforward upkeep.

Q: How is this yacht classified? A: It's a **motor yacht** categorized within the larger class of **motor yachts** .

Q: How can I purchase through Shestakov Yacht Sales? A: Contact **Shestakov Yacht Sales** and broker **Andrey Shestakov** for assistance with surveys, offer preparation, and the closing process for the 50 Sport Deck.

## Owner Experience Review

---

Owners of the 50 Sport Deck from Hatteras appreciate its adaptable nature: the same hull is often outfitted either for offshore sportfishing or for weekend coastal cruising, with interior arrangements reflecting tournament or cruising priorities. It is typically viewed as a mid 1990s, limited production model, and the common two stateroom layout is generally considered practical for couples or small family use.

On the water, feedback highlights a notably heavy, solid sensation and dependable behavior when meeting head seas. Several owners mention the ride can be firm—at times described as “hard” at higher speeds—so maintaining careful throttle control tends to enhance comfort; cruising speeds vary depending on engine configuration and load. There are reports of individual vessels that required significant stringer or hull repair after delivery, and some owners feel those repairs produced localized “hard spots” that altered ride characteristics.

A regular compliment concerns interior liveability: the main salon is frequently described as roomy and bright, featuring large windows and approximately 6'6" headroom, while the typical two stateroom layout (aft owner cabin, forward guest cabin with walk around queens) works well for extended weekends. The cockpit and activity platform serve fishing or tender duties effectively, though they are not as large as a bespoke tournament 50. Older boats often need attention—deck coring or teak sections have been re-cored

on some examples, and routine electrical/house system upgrades like refreshed battery banks or generators are commonplace—so buyers usually plan for survey related maintenance.

## Pros and Cons

- Versatile platform suitable for offshore sportfishing and weekend coastal cruising.
- Substantial, solid feel that inspires confidence in head seas when speed is moderated.
- Spacious, light salon with about 6'6" headroom and a two stateroom layout that accommodates couples or families.
- Ride may feel firm or hard at speed, requiring attentive throttle management for a smoother experience.
- Reports exist of post delivery stringer/hull repairs on some boats that produced hard spots affecting ride quality.
- Older examples can require expensive deck re coreing and typical electrical/house upgrades such as replacement battery banks or generators.

## Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/Max)	Gross Tonnage
50 Sport Deck	50' 0" (15.24 m)				
Flybridge Motor Yacht	130' 0" (39.62 m)	25' 0" (7.62 m)	20' 6" (6.25 m) – 21' 4" (6.50 m)	14 kn / 22 kn	272
45 Express Sportfish	45' 0" (13.72 m)	16' 0" (5.03 m)	13' 1" (4 m)	30 kn / 40 kn
