OVERVIEW

The Convertible from HINES FARLEY is a 63 ft performance-focused motor yacht engineered for dedicated sport fisherman. It rides on a robust fiberglass and plastic hull with a fiberglass deck and is propelled by twin MAN inboard diesel engines, delivering a balance of speed, range, and practical fishing capability. Represented by Shestakov Yacht Sales, this model suits serious offshore anglers who demand reliable performance.

Selecting a Convertible

Opting for the Convertible prioritizes rapid passages, a steady platform, and the reassurance of a tried-and-true motor yacht tailored to sport fisherman duties. If your requirements include brisk transit times, a wide beam for enhanced stability, and the durability and economy of diesel inboards, this design responds to those priorities. For personalized recommendations on performance and interior layout, contact Andrey Shestakov and the Shestakov Yacht Sales team to align the yacht to your objectives.

Features of the Model

- A performance-oriented package centered on twin MAN inboard diesel engines, built to provide confident passagemaking and quick transfers between fishing grounds.
- Typical cruise speed of 32 kn (36.83 mph) with a top capability of 40 kn (46.03 mph) in suitable conditions.
- Proportions that convey both presence and seaworthiness: 63 ft LOA (19.2 m) combined with an 18 ft beam (5.64 m).
- A long-lasting fiberglass and plastic hull matched to a fiberglass deck for durability and ease of maintenance.

- Tankage sized for extended outings: 1,576 gal fuel reserve and 210 gal fresh water capacity.
- A dual-role nature, equally at home as a motor yacht and a dedicated sport fisherman platform for offshore missions.

Technical Specifications

- Length overall (LOA): 63 ft (19.2 m)
- Beam: 18 ft (5.64 m)
- Draft (min): 17.498 ft (5.3333 m)
